

Botanical Cleansing Oil – Gentle Makeup Remover

Category: Skincare – Face Cleanser

Our Botanical Cleansing Oil is a lightweight yet powerful formula that melts away makeup, sunscreen, and impurities while keeping skin nourished. Enriched with natural plant oils, it cleanses deeply without stripping the skin's natural moisture barrier.

We offer full custom formulations (hydrating, brightening, sensitive-skin friendly), with options for fragrance-free, essential oil blends, and premium botanical extracts to suit your brand identity.

3. Key Features

- Effectively removes makeup & sunscreen
- Nourishing, non-drying formula
- Suitable for all skin types, even sensitive
- Emulsifies easily, rinses clean with water
- Can be enriched with botanical actives (rosehip, jojoba, green tea, etc.)
- Available in fragrance-free or naturally scented options

8. How OEM Works for Cleansing Oil

1. Choose Base Formula – Hydrating, brightening, sensitive, detox.
2. Select Oil Blend – Jojoba, sunflower, olive, grapeseed, etc.
3. Pick Add-On Actives – Vitamins, herbal extracts, antioxidants.
4. Select Packaging – Pump bottles, glass, eco-friendly options.
5. Custom Branding – Label design, bottle finish, packaging box.
6. Sample Approval – Formula texture, scent, rinse-off feel.
7. Mass Production – GMP-certified, export-ready.
