

Facial Scrub – Gentle Exfoliating Care

Category: Skincare – Exfoliator

Our Facial Scrub gently exfoliates dead skin cells, unclogs pores, and promotes smoother, brighter-looking skin. Infused with natural exfoliants and nourishing actives, it revitalises without stripping moisture.

Customisable with different exfoliating beads, natural extracts, actives (whitening, hydrating, anti-acne), and fragrance options. Packaging available in tubes, jars, or sachets to fit your brand's identity.
