

Baby Nappy Cream – Gentle Protection

Category: Baby Care

Our Baby Nappy Cream provides gentle, soothing care for your baby's delicate skin. Designed to protect against diaper rash, redness, and irritation, it forms a breathable barrier while keeping the skin soft, calm, and healthy.

We offer OEM/ODM services for nappy creams with customizable natural ingredients, formulations (zinc oxide, herbal, or organic), and packaging designs tailored to your brand.

3. Key Features

- Protects against diaper rash and irritation
- Moisturises and nourishes delicate baby skin
- Soothing herbal and natural oil options
- Hypoallergenic, dermatologically tested formula
- Free from parabens, sulfates, and harsh chemicals
- OEM-ready with full customisation options

- Herbal light aroma (chamomile, calendula)

8. How OEM Works for Baby Nappy Cream

1. Select Base Formula – Zinc oxide, herbal, or organic.
2. Choose Active Ingredients – Soothing botanicals, natural oils.
3. Pick Fragrance Option – Fragrance-free or gentle scents.
4. Customise Packaging – Tube, jar, or pump.
5. Approve Samples – Safety & efficacy tested.
6. Mass Production – GMP-certified, baby-safe standards.
