CEO/Business Owner/Manager/Director/Stakeholder

Republic of Liberia

Greetings Honourable Sir/Madam:

Subject: Website development, customized email, web host, social media & maps creation - all at 60% discount.

We bring you greetings of commendation for your prolific services at your entity.

Our institution, Moment of Inertia is a Liberian owned consultant that is currently of global eminence due to our work ethics, our un-wavering integrity, and our value for empowering others. We are currently functioning in 4 continents and in 46 countries. Our office is adjacent the Liberian National Police Headquarters, in the Movie Union building.

We do offer the following consultancy services:

1. **Website development**
2. Apps developments
3. Architectural design
4. Partial Scholarships Abroad – up to 100% scholarship on tuitions

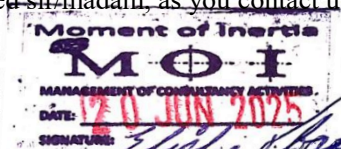

During the 2023 U.S. fiscal report, the U.S. Treasury generated the [total revenue](#) of \$4.47 trillion; \$2.36 trillion (more than 50% of the total US 2023 revenue) came as a [result of tourism](#). This means, grabbing the attention of tourists/foreigners is a key for your entity to earn higher revenues in a short period of time.

To the point honourable sir/madam, as seen from the U.S. treasury reports, one of the major contributors to every economy is tourism of whom majority are foreigners. For this, it is needed for your entity to reflect in a way that attracts tourists/foreigners; whereby counting you reliable. The following can be achieved for this to be possible:

1. Getting a renowned website and a domain which catalogues all your activities.
2. Getting a customized email which creates more trust as tourists communicate with you on/before arrival.
3. Getting your entity published on maps for accurate direction and accredited testimonials.
4. Getting social media accounts and boosting the page for high inflow of possible customers/clients.

All of the above make tourists/investors to build more trust as they deal with you before and after arriving in Liberia just by a simple Google search. For instance, kindly search this on the internet; “**Consultant in Liberia**”. You would see our consultancy, **Moment of Inertia Company ranks among the top three**, but we are more trusted because we have the highest inflow of people with more than 800 persons giving 5-stars testimonials. After clicking on Moment of Inertia Company, our website, WhatsApp, and other details are attached to it on Google maps giving us high inflow of people.

Respected sir/madam, as you contact us to create your services, you would have great flow of investors & foreigners.
