### Pheasants Forever & Quail Forever in Missouri Hosting Golf Tournament & State Convention June 11

Missouri PFQF invites outdoor & conservation enthusiasts to join us in Columbia for a day of fun and celebration

**COLUMBIA, Mo. – March 10, 2022** – Pheasants Forever & Quail Forever in Missouri invites chapter members, partners, hunters, and any others interested in upland birds and habitat conservation to their Missouri PFQF Golf Tournament & State Convention. The event will be held on June 11<sup>th</sup>, 2022, in Columbia, Mo. Attendees will have the opportunity to engage and share experiences with the Missouri PFQF staff and other conservation professionals from across Missouri, as well as learn what makes Pheasants Forever & Quail Forever leaders among our nation’s conservation organizations.

This year, we are changing things up and hosting a golf tournament on the front end of the State Convention! It will be a 4-man scramble during the day at the A. L. Gustin Golf Course in Columbia. As golfers play the 18-hole course, they will see the native pollinator plots that have been established throughout the course because of the partnership with the local Mid Mo Uplanders Chapter of Quail Forever, the Missouri Dept. of Conservation, and the staff at A.L. Gustin. We will have our Farm Bill Wildlife Biologists on site offering short habitat tours, exhibitor booths to peruse, and other activities to enjoy throughout the day as well!

That evening, we will head up the road to the Knights of Columbus Hall for our Awards Ceremony and Appreciation Reception to celebrate the many accomplishments of our chapters and collaborations with partners over the past year. The evening ceremony will include dinner, drinks, a guest speaker from PFQF National staff, achievement awards presented to chapters and partners, and lots of fun games and raffles!
