

Letter of Recommendation for Boe Trumbull

To whom it may concern,

I have had the pleasure of working with Boe Trumbull for nearly 8 years during his time with SBE. Our initial interactions were based upon services provided by my company to Boe and his team. During this time, I had a front row seat to witness Boe's attention to detail and enhanced communication skills which made it very easy to understand the goals and objectives of his organization. Boe is a visionary in regards to identifying emerging trends and implementing new solutions to address business needs. He is a master negotiator and finds ways to align people's goals so that all can win. Most impressive about Boe is his infectious spirit which he exudes in every exchange.

I would recommend Boe for any organization as he is capable of making a significant and immediate impact, and I believe that any organization would be fortunate to have him.

Sincerely,

Mark Mirkovich
