

SWEET POTATO ROUND UP

NEW PORT RICHEY

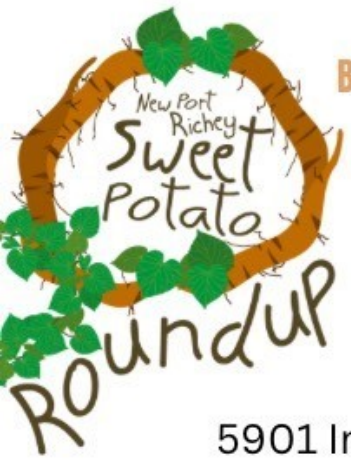

Join us on November 18th, 2023 at First United Methodist Church starting at 11 am

The Sweet Potato Round-Up features locally-grown, heirloom, organic sweet potatoes, offered by FarmNet growers and other growers in the community

Buying and using these sweet potatoes supports local organic agriculture, local growers, community gardens, and the FarmNet gardens and markets project.

Besides the fresh spuds, the event features sweet potato recipes, sample tasting of dishes, and locally-acclimated seasonal vegetable seeds.

Hope to see you there!
