Patient Financial Policy

Thank you for choosing Columbia Dermatology, LLC for your dermatologic care. We are committed to providing you with the highest quality medical care possible in a cost effective manner. Our professional fees have been determined through careful consideration in addition to being reasonable and customary within our geographical area.

We accept cash, check, Visa, MasterCard, Discover, American Express, and CareCredit. There will be a $35 charge for returned checks. While the filing of your insurance claim is a courtesy we extend to you, all charges are your financial responsibility from the date services are rendered. **You will receive a separate bill from a pathology lab for any tissue specimens that you consent to be removed during your visit with us.** Our billing/insurance specialist is available to discuss any questions you may have regarding your insurance or your account at Columbia Dermatology, LLC.

Items to bring with you to each appointment:

- Health Insurance Card(s)
- Driver's License or ID Card
- Method of Payment

If you are unable to provide us with this information, we ask that you reschedule your appointment.

Appointments: We do our best to run on schedule, as we realize that your time is also valuable. Please arrive for your appointment 15 minutes early to allow for registration. If you arrive late for your appointment, you may be marked as a No Show and asked to reschedule your appointment. Please inform the receptionist of any demographic changes (phone numbers, address, insurance information, etc.) Failure to notify us immediately of any changes in demographic information, financial status and/or insurance coverage may result in you being responsible for any services not covered by your insurance carrier.

No-Show Policy: If you are unable to make your scheduled appointment, we ask that you call and cancel your appointment at least **24 hours** prior to the appointment. There is a $35.00 fee for all office visit appointments and a $50 fee for surgical appointments/cosmetic appointments not cancelled with at least 24 hours notice. This fee is not reimbursed by insurance companies and will be your responsibility. Any such fees must be paid prior to rescheduling your appointment. No Shows for cosmetic appointments will be charged full price for services scheduled. After **2 missed, un-cancelled appointments**, you will unfortunately be dismissed from our practice.

Medicare: We accept Medicare assignment. As a Medicare patient, you are responsible for your deductible and for the difference between the approved charge and the amount Medicare pays. If you have supplemental insurance, we will bill it for you. Any remaining balance will be your responsibility and billed to you.

HMO/PPO/Commercial: All co-pays are due at the time of service; we are members of most, but not all, plans. You are responsible for verifying what your insurance plan will cover and that we are in-network providers for your plan. You are responsible for referrals, payment of all deductibles and co-payment/co-

insurance, procedures without authorization, and non-covered charges as determined by your contract with your insurance carrier. All payments are due at time of service.

Self-Pay: If you do not have health insurance or we do not participate with your insurance company, you will be responsible for all medical services rendered at Columbia Dermatology, LLC. Payment in full is due at the time of service.

Minor Patients: The parent(s) or guardian(s) accompanying a minor are responsible for providing current insurance information for the minor as well as the payment in full for services provided. Parent(s) or guardian(s) must have an Authorization for Medical Treatment form signed each time a minor arrives unaccompanied for an appointment. Both parents/legal guardian(s) are responsible for payment for services rendered to the minor patient.

Delinquent Accounts: There will be a $35 charge added to your account for any balances that are 90 days past due and not paid in full. If your account becomes delinquent, Columbia Dermatology, LLC, will take the necessary steps to collect the debt, including but not limited to collection agency, lawyers, and reporting to a Credit Bureau where you agree to pay all of the collection costs incurred.

Medical Records: Your medical records will be held in the strictest confidence. If you request a copy of your medical records to be sent to another provider or to yourself, a written authorization will be required. A processing fee and additional costs may apply. Only the records requested will be forwarded. Note: Any additional forms or paperwork that you request to be completed by the practice on your behalf may be subject to a $25 administration fee to compensate for time and processing.

Cosmetic/Elective Procedures: By definition, these procedures are not covered by insurance companies; and our office does not submit claims on their behalf. Payment in full is required on the day of the scheduled procedure. Deposits may be required for these procedures. Patients scheduled for these procedures are required to give at least 48 hours notice of cancellation to avoid forfeiture of deposit.
