Consent to SMS Messaging: Opt-In

****SMS Consent Disclosure: By signing below, You agree to receive recurring messages from Columbia Dermatology & Aesthetics; Reply STOP to opt out; Reply HELP for help; Message frequency varies; Message and data rates may apply; Carriers are not liable for delayed or undelivered messages.**

Columbia Dermatology is a private dermatology medical practice. SMS Messaging is strictly used to send appointment reminders, to confirm prescription refill requests, and to notify patients of new pathology results. SMS Appointment Reminders are sent 7am day of scheduled appointment and 6pm 2 days prior to scheduled appointment. Message frequency varies for medication refill confirmation texts and notification of test results.
