The Ten-Pin Tribune

League Week - April 11, 2026

Parent Announcements

New This Week

- Picture Day will be this Saturday, April 11th. Bowlers should wear their league shirts. Photos will be done lane by lane. Please allow extra time this week to accommodate photos.
- Last week we announced our Coloring & Essay Contests. Please see Miss Alana if you missed last week, or need additional coloring pages, or information.
- Happy Ads are still available for purchase in our tournament program book. These are \$50 (\$51.50 online) and are due by May 1st. You can submit your message and/or make a payment [here](#).
- The online apparel store will close on May 2nd. Anything ordered will be delivered to the Brinkman's and distributed at the banquet. If you ordered something and cannot attend the banquet, please let Sam or Matt know. Arrangements will be made to get your items to you. Orders can be placed [here](#).
- Banquet invitations will be distributed this week. They are due back on April 25th.
- We were recently informed that the bowling alley has received anonymous complaints about alcohol consumption during youth league activities. Jon from AMF is out of town this week but will address this directly with our group when he returns next week. However, effective immediately, we will be adopting the policy of USBC tournaments and events. Alcohol can no longer be consumed on/behind the lanes where league bowling occurs. This includes the lower seating area, upper seating area, and any other open space behind the lanes. Alcohol is still able to be consumed on other lanes where league is NOT occurring, or in the bar area. We greatly appreciate your cooperation and understanding.

The Schedule Ahead

- April 18th - Picture Day Make Up
- May 2nd - Last week of league bowling
- May 17th - End of Year Banquet

Bowling Ball Care

Bowling equipment requires more care than you might expect. The oil used on the lane will also be picked up by your bowling ball which in turn absorbs some of that oil like a sponge. Over time, this can deaden the ball's reaction. Some general care tips:

- Don't leave your bowling balls in the car or exposed to the elements. The temperature extremes can cause cracking.
- Wipe the oil off your ball between shots
- Clean your ball after you're done bowling with a ball cleaner before putting it in your bag
- Your local pro shot can do a factory reset of sorts on your ball - this may include baking it to get the oil out and resurfacing it with sanding pads or polish to get it rolling like new again.

Kids Bowl Free Program

It's not too early to be thinking about summer! Visit KidsBowlFree.com to find a participating center near you; Spins Bowl and Princess Lanes are two of the closest centers to Lebo. Every child registered gets two free games every day of summer for \$0.
