The Ten-Pin Tribune

League Week 19 - Bowling March 7, 2026

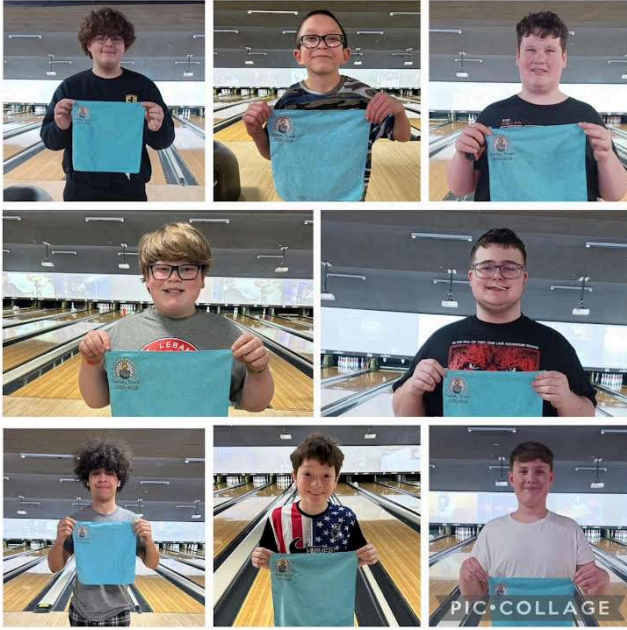

Parent Announcements

New This Week

- Picture Day will take place on April 11th, with a make-up day on April 18th. If you will NOT be present on one of these days, please let us know. Jaime DeSensi, our league photographer, will be taking photos. They will be available for download after the banquet.
- Completed score sheets must be turned in at the end of league each week. We've had several sheets not turned in or turned in incomplete. We appreciate parents reminding bowlers to keep score appropriately.
- Average Sheets are provided to tournament directors on behalf of each bowler. However, it is the bowler's (or parent's) responsibility to confirm that the average used at the tournament is correct. If you have any issues, please let the Tournament Director know, as well as a representative from Mt. Lebanon Junior Bowlers, so that we can correct any issues.
- **St. Patrick's Day Lottery Fundraiser ticket stubs and money are due back by March 7th.**
- Janelle will, unfortunately, be missing league in March due to previously scheduled commitments. If you need anything, please email her at janelle@mtlebanonjuniorbowlers.com
- If you would like to pay for the whole month of March, the cost is \$51.

Coach's Corner

What Is No Tap Bowling?

Our Beat Your Coach weekend is bowled as a 9-pin no tap event, meaning that 9 pins knocked down on your first throw counts as a strike. If your first throw knocks down 8 or less pins, you'll get a second shot to make the spare -- but you still need to knock down all of the pins on the second shot for it to count as a spare! Scoring screens often differentiate the two types of strikes with different colors (I believe Mt. Lebanon uses green for no tap strikes). This is a fun score keeping method that allows for higher scores and less ten and seven pins!

This week won't count toward league averages.
