League teams will not be determined by age.

Members who do not complete the entire half of any bowling season are still responsible for the entirety of the half season's league fee. Any unpaid league fees will be deducted from any awards they may have earned in their partial season.

Chaperones

Participants under the age of 16 will be required to have a chaperone (age 16+) present during all league sponsored events. Approved chaperones must be noted on the bowler's registration form. Chaperones can be relatives, siblings, or other bowling parents (with their consent). If a parent/guardian will not be present, they must notify a league supervisor of who their child's chaperone will be for the day.

Code of Conduct

Members will act in a manner that promotes the best interest of youth bowling. Members found acting in a derogatory manner will be subject to the following:

- **Step 1: Formal Verbal Warning**
A coach or league official addresses the conduct or etiquette violation directly with the bowler to establish immediate correction.
- **Step 2: Game Forfeiture & Contact**
The bowler is benched for the remainder of the session, forfeiting their scores for those games. The league director contacts the parent/guardian.
- **Step 3: Parent Conference & Session Removal**
Repeated rule breaks or unsafe behavior will result in stepping out for the rest of the day. A coach will meet with your parent/guardian to discuss a plan before you return next week.
- **Step 4: Suspension From League**
Continued inappropriate behavior such as reported bullying and repeated offensive language will result in a suspension from the league.

Derogatory conduct includes, but is not limited to, the following:

- Using tobacco products, electronic cigarettes, illegal drugs or alcoholic beverages.
- Using foul language or gestures.
- Wearing clothing depicting foul language or gestures.
- Disrespecting fellow league members, coaches, volunteers or facility staff members
- Encouraging gutter balls or deliberate poor performance of fellow members.
- Repeated failure to follow lane safety & courtesy.

Parents who violate this Code of Conduct may have disciplinary actions applied to their youth member(s) and/or be asked to leave the premises.

Continued violation of the Code of Conduct may result in removal from the current competition/function and/or suspension from league and/or USBC membership, as per the USBC Youth conduct rule 17d.

Participants, and their parent/guardian will receive a more detailed copy of the Code of Conduct appropriate to the participants age, for review and signature.

Alcohol Policy

In accordance with established youth standards, there will be no alcohol consumed on or behind the lanes where youth league participants are bowling. Any alcohol consumed by adult (age 21+) spectators should be consumed in the bar area. There is ABSOLUTELY NO ALCOHOL to be consumed by a youth league participant.

As a reminder, ABSOLUTELY NO ALCOHOL is allowed to be brought into the bowling alley.

Competition

Bowlers will establish their league average during the signup day, plus two additional weeks. A bowler using a two-hand delivery will establish an average with two hands. When the bowler changes to a one-hand delivery, they must establish an average using that hand. Bowlers new to the league will use their pre-established USBC average, if available.

Teams will have a playing strength of up to 4. The minimum legal lineup of 1 player(s) must be present before the completion of the first frame of each game.

The league will determine wins and losses on a handicap basis. Handicap will be 100% of the difference between the teams averages.

Absentee and vacancy scores will be allowed when a team has a legal lineup, but less than a full lineup at the start of any game in a series. The absentee score will be the absent member's average. Handicap will be figured on the average of absent members. Absentee members are still required to pay the league fee of \$6.00 for the missed session. Any unpaid award fees will be deducted from any awards they may have earned during the season.

Members may bowl in advance (roll-off/pre-bowl) for a session they know they will be absent. Members who pre-bowl are still required to pay the lineage plus league fees (\$18) for that session.

Teams having an incomplete roster (vacancy on the team) will receive a vacancy score. The vacancy score will be determined once team averages are determined.

All league games must be bowled as scheduled except when they are postponed or canceled by authorization of a league supervisor or designated AMF Representative. March 27, 2027 will be designated as a make up day, if necessary.

The league supervisor must grant a postponement when a team is unable to field a legal lineup due to reasons beyond its control.

Team and individual unopposed bowling is allowed and scores are recognized for league awards.

A bowler who arrives late may enter the game provided 3 frames have not been completed. In this situation frames missed may be made up.

Team position standings shall be determined on a point basis, with 2 point(s) awarded for each game won and 1 point(s) awarded for the highest total pins in each match. If all teams in the league have not bowled an equal amount of games, position standings are figured using a percentage basis.

When bowling in a known forfeit situation or scheduled against a non-existent team, the team must bowl at least the team average less 10 percent per player to earn the points.

A league member may not finish any game of a series before his/ her teammates or opponents, except in cases of an emergency or being prearranged based on a good cause. The league supervisor will make the determination. Such scores will count in deciding the game and bowler's average, and for qualifying for USBC Youth awards and league awards.

A playoff will be conducted when there is a tie for first place. Scores bowled in a playoff shall not count toward individual or team averages or special prizes offered by the league.

Bowlopolis

Bowlopolis is a USBC program designed with little bowlers in mind. Members will learn the game of bowling and how to bowl with bumpers. Members will bowl 3 games each week but will not compete in team competitions. They will be eligible for achievement awards.

Awards

The league supervisors will adopt an awards list within the first five weeks of league play. All league awards will be awarded on a scratch basis, unless otherwise noted.

A member is eligible to receive only one individual league recognition award, provided they have been a league member for at least 1 full half, and bowled two-thirds of the halves scheduled games. All members are eligible for team recognition rewards and League MVP. Only members that have bowled for less than 1 year are eligible for Rookie of the Year. A bowler must have participated in the league for the full season to qualify for Average related awards. Members of the Bumper division who move up mid season will qualify for awards in both leagues, based on the time they participated in each.

Individual awards will be awarded for the first achievement and dated as such.

At the end of each half, a first place winning team will be named and the wins and losses will start over; however, the averages for all bowlers will continue.

The first place winners of each half will bowl in a playoff to decide the league champion.

For playoffs, points are awarded 2 points for each game won. There will be no points for total pins.

If the same team wins both halves, it shall be named the champion. If/When recognitions are awarded for second place, the two second place teams will bowl a playoff to decide the runner-up position.

The league records will be managed by AMF Mt. Lebanon via League Pals. This system is available to all participants for review. League Pals is available online as well as in the App Store. More information will be distributed as it becomes available.
