Lane Courtesy Review

With our home tournament coming up, we want to make sure that we are polite hosts. Lane courtesy is observed out of respect for our fellow bowlers, but also for safety purposes. No one wants a 15 pound bowling ball to the stomach.

Two general rules to observe while bowling:

1. Before you grab your bowling ball, look left and look right like you're crossing the street. If a bowler to your left or right is setting up or taking their shot, wait **behind** the approach until the bowler(s) deliver their shot. At Mt. Lebo, imagine that wall starts at the keyboards and stay behind there.
2. Stay in your own lane when delivering your shot and when walking back from the foul line. Drifting into another lane could cause that bowler to mess up or could cause a collision.

When you see someone not using lane courtesy, gently remind them that they should wait and not crowd the approach.

Kids Bowl Free Program

It's not too early to be thinking about summer! Visit KidsBowlFree.com to find a participating center near you; Spins Bowl and Princess Lanes are two of the closest centers to Lebo. Every child registered gets two free games every day of summer for \$0.
