Note we are still looking for investors and we have many labs, partnership spaces, classrooms, storage rooms, tool rooms, etc. where an investment can provide funding for this amazing project, but also notoriety for an organization, individual or foundation. We are still seeking **\$5.42 Million** to meet our goal of **\$74 Million**. Please reach out to Brian Noller at nollerb@nwdckc.org or (816) 206-8750 if you would like to be one of the investors that helps us close this final gap!

We are utilizing our fundraising budget to contract with talented individuals who have assisted us with our fundraising efforts, strategic planning, marketing, and story telling. To meet this amazing team, please click on this [LINK](#) to see those individuals on these sites. Bridget Mendoza is now our lead gift manager and can be reached at mendozab@nwdckc.org or (816) 916-1089.
