***Dual Purpose: Building a Workforce Pipeline/Creating opportunities for Students***

### **Key Updates**

This is going to happen! With an amazing award from the City of Kansas City, MO, we are well on our way to getting the NWDC built. Efforts led by Councilman Nathan Willett (District One), and supported by our Northland Councilmembers French, O'Neill, Rea, and Rogers resulted in \$25 Million to our campaign. We are also very thankful for Mayor Lucas, Mayor Pro-Tem Parks-Shaw and the entire City Council and KCMO team members that made this a reality. ## Recent Celebrations and Recognition of Investors

Over an eight day span (April 17th - April 24th) we were able to take part in multiple celebrations and secure multiple investments. Thank you to all of our supporters, cheerleaders, board members, cabinet members and others who made the month of April a great success and specifically that short, 8 day period. See some of the recent celebrations and the concept of our donor wall that is growing. Any investor with \$50,000 is recognized on this wall with a logo. See the rendering below and our two celebration pictures with:

- IBEW Local 124 in partnership with NECA KC & KC Power Partners
- NUCA of Greater KC

The photo above was taken at the future NWDC site located at Platte Purchase & 95th Street just north of 152 Hwy. Thank you to our friends from IBEW Local 124, NECA KC, and KC Power Partners supporting future electrical training.

The photo above was taken in downtown KCMO at a NUCA annual celebration. The check presented is one of five from NUCA of Greater KC as they are doing a 5 year pledge and sponsoring a classroom at NWDC.
