ASCENDING TO NEW HEIGHTS

**"Communication - the human connection - is the key to personal and career success."
~ Paul J. Meyer**

Would you be excited to create an instant connection with other people and influence team members and strangers alike? If you could do those things, you would become a person of influence and communicate in a way that inspires people to learn, grow, and take initiative!

Communication Goals

Would you like to learn how to:

- get people on the same page to achieve a common goal;
- enable everyone to feel acknowledged and "heard"; and
- motivate people to act in an empowering way?

Overcome Challenges

In today's tech and digital world, it may seem that people don't listen anymore. Often it is difficult to connect with others on a deeper level and it may feel impossible to be heard over all the noise and distractions. Do you ever find yourself thinking, "It is impossible to get a group of people to agree on anything," or

“ Everyone is so focused on their own message they can't or don't hear anyone else! ”

"Everyone Communicates, Few Connect"

Join the next mastermind group on communication and connection hosted by Cheryl Hill if you echo the above sentiments. The foundation of the program is based on John C. Maxwell's *"Everyone Communicates, Few Connect."* Attendees will improve their communication skills and gain confidence to walk into any room and effectively communicate without fighting for their attention.

If you want to connect with a diverse audience, inspire, influence, and impact others, and motivate people to take action toward their goals then this offering is for you!

The virtual 10-week mastermind makes it easy to improve your communication skills, connect with, influence, and impact the people around you, and connect with people in a more meaningful way. More specifically:

- Each session is 90 minutes and includes a lesson and group discussion.
- There will be weekly workbook and accountability assignments so you will be able to immediately apply what you learn, with space to take notes and record any questions and reflections.
- Cheryl also offers weekly check-in emails to answer any questions and provide support on your journey.

The cost for the 10-week program is \$497. Weekly zoom sessions begin on Wednesday, March 16th at 7:30 pm (EST) and conclude on May 18th. As limited spots are available, RSVP by March 9th. Please feel free to share with anyone looking to improve their communication and connection skills!

Note: purchase of John C. Maxwell's book "Everyone Communicates, Few Connect" is not required for this course. However, if you would like to purchase, several formats are offered on Amazon.
