## **Just For Men: Discipline**

Don't underestimate the positive effect that your praise can have — discipline is not just about punishment, but also about recognizing good behavior.

Join The Huddle as they discuss Discipline in depth.

**Please call or email to  
learn more about other  
activities not listed.**

## **Brain Injury in Students**

This program addresses brain injury in students, covering the impact on academics, social interactions, and emotions. It explores common challenges and offers strategies for supporting students in school.

## **Navigator Exchange**

The Affordable Care Act (ACA) helps uninsured and eligible people in New Jersey access quality, affordable healthcare. Center For Family Services' Navigator Exchange Program provides trained Navigators who can help you understand your healthcare options and assist you in completing an application through New Jersey's marketplace, GetCoveredNJ, or Medicaid/New Jersey Family Care (NJFC).

If you need in-person assistance to review your options, A Navigator will be available on Wednesdays from 11a-3p

## **Volunteer Interest Meeting**

**BECOME A VOLUNTEER!  
WE NEED YOU, YES YOU!**

That moment when you forget you're volunteering to help change lives because it's changing yours!

**MAKE A DIFFERENCE, GET INVOLVED!**  
We are always looking for new volunteers! We appreciate every helping hand we can get!

## **PCAB Interest Meeting**

The Parent/Community Advisory Board (PAB) serves as a voice for the community. Members promote center activities and services and work collaboratively with the center director/supervisor to ensure that services and activities are reflective of the community needs and interests. We are always looking for new Board members!
