What is Hanukkah?

Chanukah (also spelled Hanukkah) is an 8-day Jewish festival marking the miraculous victory of the Maccabees, Jewish freedom fighters, over the Seleucidian Greek occupiers in the year 139 BCE. After recapturing Jerusalem's Holy Temple, which had been converted into a place of idol worship, they searched for pure oil with which to light the Temple menorah. They found just enough to burn for one day, but miraculously it burned for eight days until more oil could be brought.
