Student Creed

As much as I attempt to calm the chaos around me
called life,

I can't.

I can only control myself.

However, I have been told countless times that I am
Intelligent, courageous, strong and beautiful
So from this moment on, ever indelible mark I make
Upon myself or my community will embody a piece of
me.

This indelible mark will embody intelligence,
courageousness,
Strength and beauty because they are what make ME!
