SHELBY COUNTY FELLOWSHIP OF CHRISTIAN ATHLETES

FCA MULTI AREA DIRECTOR - WARREN ROBISON

New Campus Huddle at Triton Central Middle School

On Thursday, March 6th, we successfully launched our newest certified Huddle in Shelby County.

For over a year, I have been praying about establishing an FCA chapter at TCMS, and after extensive planning, we initiated a Student Leader Huddle. Our next step is to launch the Large Group Huddle this Fall.

The TCMS FCA Student Leader group consists of 14 7th and 8th grade students, and we have already met eight times. Throughout these past eight weeks, I have been truly amazed by the exceptional qualities of these young leaders.

This group has begun leading a team devotional for the TCMS Tennis Team and will soon be leading a devotional with the Lady Tigers Softball Team.

They have also distributed over 200 life books to other students at TCMS. Also adding to the excitement are the students carrying and reading their FCA Athletes's Bible during free time at class.

We are excited about the launch of FCA at TCMS and look forward to witnessing how God will reveal Himself through this ministry..

“FCA is making God cool again!” - SMS Teacher

Over the past two years, FCA has been “Making God Cool Again!” The pictures below beautifully capture this mission, highlighting cheerleaders praying for an injured player on the opposing team, the cast of Annie Jr. praying before their first performance, and 104 students coming together to pray for a fellow student-athlete’s healing.

Additionally, students have been spotted reading their Bibles during free time in class! While some claim that “God is not allowed in schools,” these students are demonstrating just the opposite.

Shelbyville Middle School FCA Sets New Attendance Record.

It’s hard to fathom that when Mr. Robison became the FCA Coach less than four years ago, the average attendance was just 17 students. Fast forward three and a half years, and that number has grown to an average of 103 students every Friday morning.

They even set a new record attendance of 119 students! We are praising God for His faithfulness in preparing the hearts of our students to receive His word and share it with their peers.

Shelbyville Middle School FCA Gives Out 100's of bibles

This past year, Mr. Robison prioritized ensuring that every student who desired their own Bible received one. It was no small task, but thanks to the generous contributions from Shelby County residents, he has been able to purchase and distribute over 140 Bibles. The financial investment for this initiative exceeded \$2,000, but the spiritual returns are immeasurable.

Student Stories of impact: this month's student story is from Anna Kemper, a TCMS Student Leader, and how FCA is impacting her walk with Christ.

I'm Anna Kemper and I was asked to be a part of the Triton Central Middle School FCA. I wanted to be a part of this program because I have been taught and raised in a Christian family and I saw this as an opportunity to grow my faith outside of going to church every Sunday. I am not a morning person so at first I wasn't looking forward to waking up early but I actually look forward to getting up early and starting my morning off by growing in God's word. School can be stressful and difficult for everyone at times, so cleansing yourself in God's word before you start your day at school can help tremendously.

I have only been to two meetings, and already I have found some changes. FCA has helped me to really think of the meaning behind scripture and my relationship with God. It makes me think about what it means for me to have a relationship with God and why it is

important. I also find myself thinking before I act and wondering, "Am I showing God's work right now and is this what he calls me to do?" I have always done this but I find myself doing it more than I used to. I enjoy each lesson and I think that both Warren and Mrs. Maurice do an amazing job of delivering them.

In conclusion, FCA is an amazing program and I feel privileged to be a part of it. I always get something different out of each of the meetings. I would recommend FCA for anyone whether they have been a strong believer for a long time or they are just getting started on their walk with God. I love God so much and my goal is to make other people learn more about him and experience him making miracles and changing lives. Thank you!

-Anna Kemper

SHELBY COUNTY FELLOWSHIP OF CHRISTIAN ATHLETES

"[G]ood morning! Thank you for your dedication to so many families and children with FCA. Our son has been praying with us and participating in family meetings more than ever before. Our family is grateful!"

Angie Eads 2/28/25

"So thankful for what you are doing with these kids, especially Dylan. He asked if he could read his bible for 10 more minutes before going to bed."

Jessica Larkins Barnes. 3/3/2025

"This (FCA Bible Study) warms my heart and makes it leap for joy to see these young ones studying God's word!"

Tina Cherry 2/4/25

"I'm so glad I got to start going to FCA. I can already feel my life changing. Thank you, Warren."

Ava White, 8th Grade Student SMS

When asked, "Has SMS FCA positively impacted your life?" 78% said, "Yes, in a major way."

Over 70% of survey respondents said that they decided to follow Christ or committed to rededicating their lives to Christ at FCA.

Over 55% stated that because they were going to FCA, they read their Bible more and changed their friend group to make better decisions.
