EVERY COACH.
EVERY ATHLETE.

TO REACH EVERY COACH AND ATHLETE...

Since 1954, FCA has been challenging coaches and athletes on all levels and sport environments to use the powerful platform of sport to reach every coach and every athlete with the transforming power of Jesus Christ. FCA focuses on serving local communities around the globe by engaging, equipping and empowering coaches and athletes.

COACHES & ATHLETES

Be equipped and empowered in your faith to lead others. FCA supports coaches and athletes through Huddles, training, events and resources to explore and grow in their faith journey.

VOLUNTEERS

Be a part of FCA and serve with significance. FCA offers many opportunities to integrate your passion for God and sports with a desire to share the love of Christ with coaches and athletes.

DONORS

Make a lasting impact on coaches and athletes through a financial gift to FCA. You can securely support the ministry through one-time gifts, monthly gifts, stocks and more.

E3 DISCIPLESHIP

As followers of Jesus, we have been called to be disciples who make disciples: "Therefore, go and make disciples of all the nations..." (Matthew 28:19a). We have a game plan and practical training for coaches, athletes and volunteers who want to start making disciples. It's called E3. We engage, we equip and we empower, in that order.

HUDDLES

A Huddle is a consistent small group of coaches or athletes designed to engage, equip, and empower them to make disciples who make disciples. This is what FCA is all about!

CAMPS

FCA Camp takes the best attributes of an athletic-focused camp and a spiritual-focused camp and combines them into an athletic/spiritual experience like none other.

SPORT ENVIRONMENTS

Athletes in record numbers now participate in non-traditional sports that compete outside of the traditional campus setting. FCA has identified eight sport environments to minister in: Action, All Ability, Campus, Club, League, Motorsports, Outdoors, Pro and Elite.

FCA SPORTS

FCA Sports provides FCA staff with everything they need for coaches and athletes to compete as FCA in clubs and leagues that the ministry runs and operates. As coaches and athletes compete, they go on a spiritual journey designed to help them become disciples who make disciples, which in turn, transforms both families and communities.
