MIDDLE SCHOOL SMALL GROUPS

Celebrating Student-led Small Groups at SMS & TCMS

We are thrilled to share some exciting news from Shelbyville Middle and Triton Central Middle School's Fellowship of Christian Athletes (FCA)! This year, we have achieved a remarkable milestone: Student-led small groups! This accomplishment supports our mission at FCA to empower students to become leaders and disciple makers.

Over the past four years, we have dedicated ourselves to training and empowering our student leaders, and it's heartwarming to witness their growth. Last year, we attempted to establish student-led small groups, but it was just too early for them to be effective. However, this year, our student leaders embraced the challenge after hours of training, and their commitment has truly paid off!

While there were a few bumps along the way, the progress they've made is nothing short of inspiring. It fills my heart with joy to see them lead their fellow classmates with confidence and passion. Their dedication to creating a supportive environment where everyone can grow in their faith exemplifies what FCA is all about.

As we often say at FCA, "You cannot be a disciple unless you are also making disciples." At Shelbyville Middle School FCA, that's exactly what our student leaders are doing. They are not only leading their

peers but also nurturing a community rooted in faith, friendship, and fellowship.

We are incredibly proud of these young leaders and grateful for their willingness to step up and make a difference. Please join us in celebrating their achievements and supporting them as they continue to navigate the challenges of leadership.

Together, we can create a lasting impact in our school and beyond!

Thank you for being a part of this journey with us. Let's keep encouraging our student leaders as they shine brightly for Christ!

Friday Morning Huddle

At Shelbyville Middle School, our Fellowship of Christian Athletes (FCA) Huddles have become a vibrant community where students gather not just to learn and grow, but to celebrate their faith through praise and worship. It's heartwarming to see how much our students cherish this time together!

Our students often express how these moments of worship impact their lives. Many say it's their favorite part of the Huddle! They look forward to this time as an opportunity to connect with God and with each other, pouring out their hearts in song and prayer. It's a beautiful reminder of the power of community and the joy that comes from worshipping together.

Indy FCA Golf Scramble

We are excited to announce the upcoming FCA Golf Outing, where sponsorships are available! Proceeds from this event will provide scholarships for campers, coaches, and FCA programs throughout Central Indiana. We invite you to partner with us in our mission to lead every coach and athlete into a growing relationship with Jesus Christ and His church. Your support can make a meaningful difference in the lives of young athletes and their communities.
