SHELBY COUNTY FELLOWSHIP OF CHRISTIAN ATHLETES

FCA MULTI AREA DIRECTOR - WARREN ROBISON

That's a wrap!

School is out for summer break, marking the end of another year of ministry on campus. It's a bittersweet moment for us. While we had a busy schedule, a time for rest and renewal is certainly needed.

Our final Huddle featured a pancake breakfast and awards ceremony, with over 111 attendees and hundreds of pancakes served!

Here are some noteworthy highlights from this past year:

- 153 new students joined SMS FCA for the very first time this school year.
- 10 students achieved perfect attendance, attending every Huddle without missing a single session.
- An additional 13 students demonstrated excellent attendance, missing three or fewer Huddles throughout the year.

This year, we set a record for attendance with 119 participants! On average, we ministered to 112 students each week during the school year. We celebrated 27 student baptisms, and over 60 students made the life-changing decision to follow Christ for the very first time.

I feel incredibly blessed to have had a front-row seat to witness how God is working in the lives of these students. While we may never fully grasp the number of lives transformed this year, the impact has been profound.

TCMS Student Leaders pray in front of the Whitehouse

Philippians 1:27, "Conduct yourselves in a manner worthy of the gospel of Christ, so that whether I come and see you or remain absent, I will hear of you that you are standing firm in one spirit, with one mind striving together for the faith of the gospel."

TCMS students are representing Jesus at our nation's capital!

So, as most of you know, sponsors a DC Trip (also includes stops in Philadelphia and Gettysburg) for eighth-grade students. Here are a couple of images that have been sent to me by Mrs. Diehl and student leaders.

The first image is a large group of these students praying for wisdom for our country's leaders and governing with love and grace.

The second image is a few of our leaders holding up a Jesus Saves sign, again in front of the White House.

I'm so proud, and our school is so blessed, to have these excellent students willing to make a stand and put God first in all they do!

Student Stories of impact: this month's student story is about why Ella Tupper, a TCMS Student Leader, wanted to be part of FCA

Hi! I am Ella Tupper. I am currently participating in Triton Central's brand-new FCA student leader group. When I first received the letter for FCA, my first thought was, "Wow, those meetings are early!" But I quickly got past that thought and started thinking about what a good opportunity this was that the Lord called me to do!

When I showed my parents, who have always lead me the right way spiritually, they were so exited. I prayed over it and the Lord led me to becoming a member of FCA. When I walked into the room, I was immediately happy. Warren, my FCA leader had a big smile on his face. As soon as we started, I could tell Warren and Mrs. Maurice wanted us to feel loved and get to know us. Not only did they love us, they wanted all of us to learn the word of God and his righteous ways. They are helping me and the other amazing peers see that we are all disciples of Christ, and that we have an impact. And that we are not the future church, but we are the church.

Warren and Mrs. Maurice have taught us countless good lessons already, and we have only just begun.

After getting closer with my group, countless prayers together, laughs, reading of the word, and even tears, I felt the Holy Spirt tell me that it was to spread his word. I firmly believe we can spread God's everlasting love all throughout Triton Central and the whole community! Since joining FCA, I have started weekly Bible studies at lunch with my friends, Bible studies before tennis, attending all FCA meetings, and becoming more active in my church. God has done amazing things in my life and I know I am forever saved. I want everybody I know and love to feel that eternal love! Even people I don't know, I want everyone to be saved.

That is why I joined FCA, so everyone could learn God is good all the time, and if you just put your faith in him, your life will change forever! God bless!
