

ACT

Building your Dream Team is what *WisdomWalks* is about. Getting the right people on your team and understanding the role they play is essential. A *WisdomWalker's* Dream Team has four key relationships: Walker, Warriors, Watchmen, and Workmen. It's the perfect blend of mentoring, accountability and discipleship.

The Walker is you. This is your personal relationship with Jesus. You are the only one who determines whether you move closer to or farther away from Jesus. Pursue Him with everything you have.

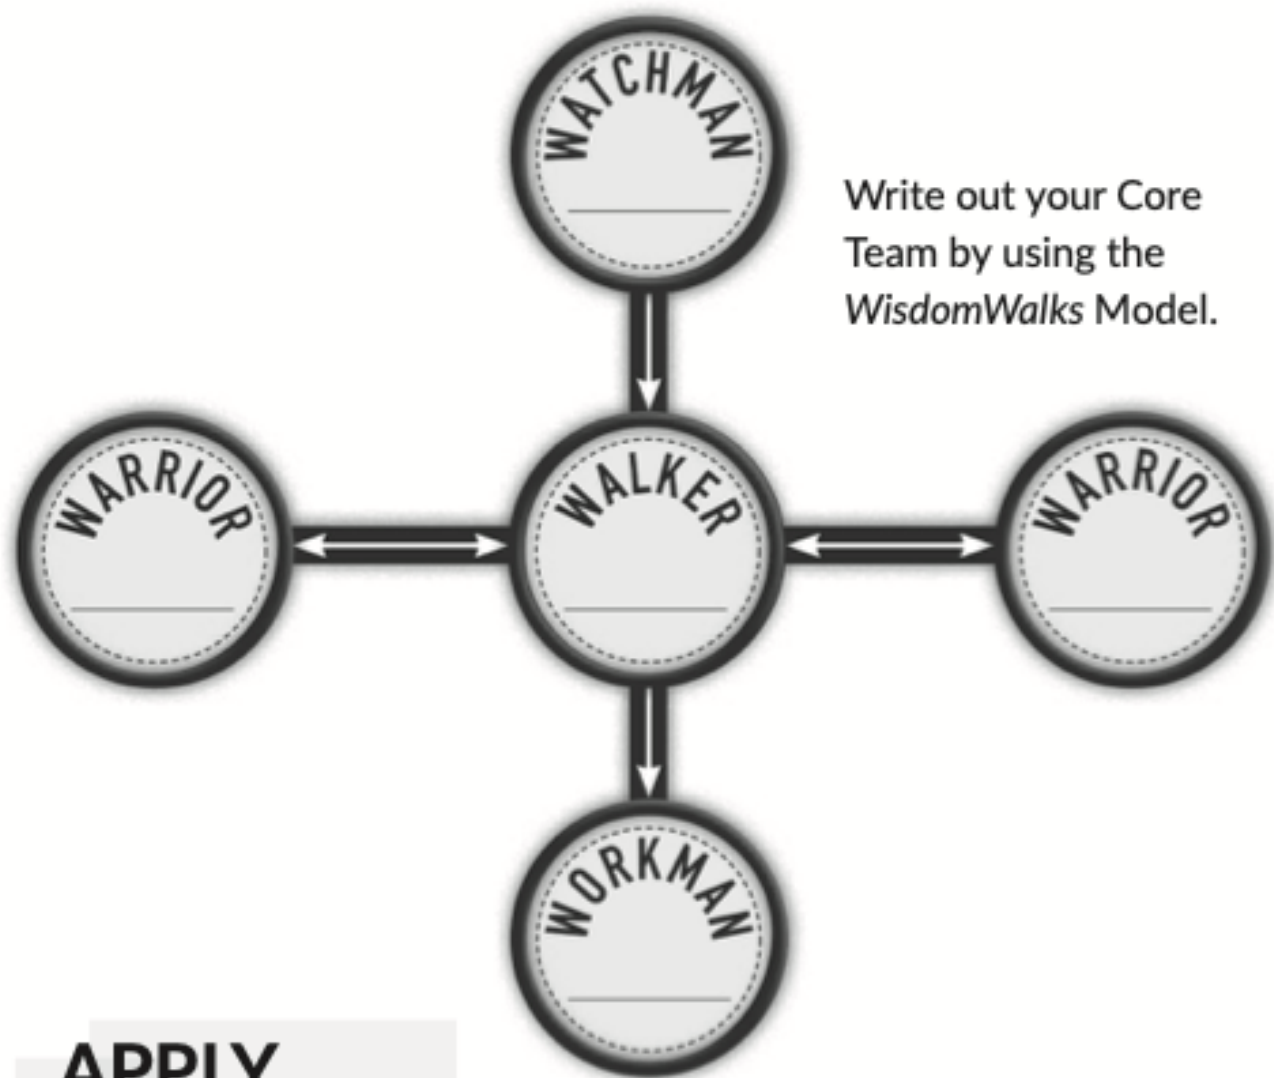

The Warrior is a peer. This is a friend or two who you will do life with, shoulder-to-shoulder. We need someone who will love us enough to hold our feet to the fire and help us pursue our purpose! When you have a Warrior, you become their Warrior as well.

The Watchman is a mentor. This is someone who is season or two ahead of you. Find a godly *WisdomWalker* who can invest wisdom in you. When you have a Watchman, you become their Workman.

The Workman is a disciple. You simply pour into them what God has poured into you. All of us have so much to offer. You don't have to be perfect to invest in others, just willing. When you have a Workman, you become their Watchman.
