The entire image is overlaid with a network of thin, white, cracked lines, resembling a stone or glass texture.

it becomes an integral part of your

A modern kitchen interior featuring a large island with a white marble countertop and a dark wood base. The island has a sink with a black faucet and a gold-colored faucet for a side burner. Three black pendant lights hang over the island. A large potted plant sits on the island. The background shows a wooden door and a wall with a framed picture. The floor is made of large, light-colored tiles with a marble pattern. A large window on the left side of the image shows a view of a garden with a wooden fence and trees.
