### Medicolegal Expert Witness

---

I started medicolegal expert witness reporting in 2023. My field of expertise is within Plastic, Reconstructive and Hand Surgery encompassing a broad range of conditions. This includes but is not limited to hand injury (tendon, nerve, peripheral nerve, fractures, amputation, fingertip injuries), burns, scarring, lower limb reconstruction and complex injury. My case mix as an expert witness is illustrated below. I have attained the Cardiff University Bond Solon Civil Expert Witness certificate.

Between August 2023 – August 2024, I have completed 15 expert witness reports (14 claimants; 1 defendant; 0 single joint expert).
