

About Kelly Mack McCoy

Kelly Mack McCoy is a Texas-based author and ghostwriter born and raised in the Lone Star State. McCoy's early years were filled with a deep appreciation for the power of words and their ability to connect people from all walks of life. His favorite books as a kid were dictionaries and encyclopedias. McCoy's journey into the writing world was marked by his desire to share his experiences and faith.

Rough Way to the High Way, released in 2019, takes readers on a journey with Mack, a trucker-turned-pastor-turned-trucker who hits the road again after his wife's murder. Mack finds himself at the crossroads of faith and redemption as the story weaves together mystery, suspense, conspiracy, criminality, and spirituality, making it a compelling and thought-provoking read.

McCoy's ability to craft relatable characters and engage readers in the moral dilemmas they face is a testament to his storytelling ability. *Rough Way to the High Way* appeals to Christian and non-Christian readers alike thanks to its universal themes of hope and second chances. Midwest Book Review called *Rough Way to the High Way* "An Extraordinary Novel."

After the world turned upside-down, McCoy switched gears but continued to channel his passion for faith and storytelling into his second book, "The Sojourner's Road Home: A 40-Day Journey to the Heart of God." Published in 2023, this book invites readers on a spiritual pilgrimage to the heart of God as they walk in faith, embracing their role as sojourners in this world.

Each day of the 40-day journey in *The Sojourner's Road Home* offers a story focusing on various aspects of faith, personal growth, and our relationship with God. Each day of the journey is meant to be a source of inspiration and encouragement, guiding readers toward a deeper understanding of their faith in God and their place in the world. It is suitable for readers at any stage of their spiritual journey.

"I highly recommend Kelly Mack McCoy for your ghostwriting needs. As a fellow author, I credit my connection with Mack as the motivation for creating my audiobook. Mack is a great writer, has a wealth of knowledge, and will steer you in the right direction."

Pastor Mack's wife, Georgia, provides a foundation that allows him to overcome the challenges of his past. He does overcome them – until Georgia is murdered. Mack returns to the only thing he knows how to do other than preach - drive.

Mack has seen it all. He's been a truck driver, pastor, and now he's back on the road. But this time, he's not just looking for a way out. He's looking for justice.

Ride along with Mack as he hits the open road in search of answers. Along the way, you'll be entertained by his stories, inspired by his faith, and maybe, like some readers, even challenged to rethink your own life.
