## Weeplay Video Game And Dinner Theater Truck

**Weeplay Truck** is a Step van, custom conversion Video Game, and Food Truck. There is a DJ stage setup on the back side of the truck, with voice command by Amazon Alexa. All Video sports games are set up on the outside and the food buffet is setup on the inside. Also included is an additional Weeplay Video Game Truck, for Social Distance, at another party location or the same party site. The trucks are networked together with wireless network and, thus giving customers one party at two locations or two at the same video game truck park. The two trucks are networked with each other in the game, in A/V, in the music, and movie projector screen. Because of the pandemic, all video games are outside and spaced apart over 6 feet and face mask and gloves are required and hand out. We have four Marketing packages: **The Man Cave, Diva Den, Praise n' Play, and Power Lunch**. Boys and Girls, ages 8-17, for churches, outside Digital Marking, also meetings and lunches. Our competition are any businesses who Cater, Video DJ, have a Food Truck, Video Game truck, Game Room, Web Cafe, or a Karaoke Bar. But no business has all of these services combined in a Mobile Truck or Tech Cafe Truck. The operating requirement needs two people per truck. One person for handling food and the other helping with video game support. Also, duties include inventory check and clean up for the beginning and the end of day. Our cost of rental is **\$900.00** for 2 truck the first 3 hours and **\$100.00** per hour after. Food cost is also added on if a customer has a food requirement. We also offer **\$600.00** for one truck per 3 hr. A Truck with 2 projector screen setup on 2 side of the truck.
