

Our Budget Payment Plan is a great way to take control of your home energy budget.

Unpredictable weather and fluctuating energy markets make Comstock Propane's Budget Payment Plan a smart way to manage estimated home energy expenses. You can spread the cost of your annual propane usage over 12 months. Your payments will be reviewed, and if necessary, adjusted twice per year based on your consumption and other factors.

Open enrollment (April through June)

Contact us today and benefit from:

- Predictable monthly payments
- Worry-free automatic delivery
- Free to enroll, no hidden fees

Get started today. Simply choose from one of our two easy ways to enroll:

- Go to Request for Budget Payment Form below
- Call 775-626-2558 or 775-246-2558
