

ESTHEPA GOLF BOARD GAME

Everyone. Everywhere. Anytime.

It was first shown at the 2023 PGA Show, January 24/27-2023, at the Orange County Convention Center, Orlando, FL, USA.

ESTHEPA GOLF - Board Game, is created by the Colombian citizen Diego Franco.

It is a golf game that is played on a board; uses dice, golf balls and scorecards. It is governed by the same rules as golf (with a few exceptions and additions).

In conclusion, **ESTHEPA GOLF - Board Game** is a portable golf course, where you will feel like you are playing golf; simply in this game the target is drawn on the board and, every time you take a shot, the dice will indicate where to place the ball. It is designed for 2 to 4 players. In addition to its usefulness, it can be installed as a **work of art**.

The purpose of this game is to complete the 18-hole (rounds) course, similar to that established on a golf course.

Players must:

1. Roll the dice.
2. Move the golf balls over the squares on the rings of the board.
3. Record their moves on the scorecard.
4. Repeat the same process on each hole in the order indicated on the scorecard.

The Winner is the player who records the lowest number of points.
