THE ESSENCE OF
ELEGANT

Elegant Hotel Collection is a growing community of **independent luxury hotels** celebrated for their originality, creativity and commitment to crafting unique and authentic guest experiences.

An unrivalled offering for guests seeking unforgettable experiences in distinctive locations around the world.

THE ELEGANT PROMISE

An Elegant Hotel Collection member hotel is more than a place to stay, it's a promise.

Our member hotels are not defined by size, location, or style, but by spirit. Each one carries the qualities that make travel transformative: the promise of luxury, the warmth of being welcomed, the authenticity of true encounters, and the uniqueness of experiences that can only happen there.

Together, these values form the essence of what it means to be an Elegant Hotel Collection member.

THE ELEGANT
EXPERIENCE

Every hotel offers authentic luxury hospitality with exceptional standards of service and comfort.

THE ELEGANT
STORY

Each property carries a narrative worth celebrating, cherished by guests and admired by its community.

THE ELEGANT
ENCOUNTER

Stays are rooted in a genuine sense of place, creating meaningful and memorable connections

THE ELEGANT
SPIRIT

No two hotels are the same, each expresses its own personality, style, and soul

THE ELEGANT BRAND VALUES

We carefully select hotels based on their unique characteristics, the extraordinary experiences they provide to guests and their commitment to upholding the Elegant Hotel Collection brand values of authenticity, inclusivity, sustainability, innovation and distinction.
