

R&J SHEET METAL

Construction & Sheet Metal Installer

About R&J Sheet Metal

Founded in 2022, R&J Sheet Metal is a growing metal fabrication and installation company committed to delivering high-quality craftsmanship and dependable service. We specialize in gutter installation, bay roofs, metal roofing systems, flashing, roof repairs, and custom sheet metal fabrication for residential and commercial customers.

Proudly serving St. Louis County, Franklin County, and Jefferson County, Missouri, our team is known for delivering reliable workmanship and exceptional customer service throughout the region. As demand for our services continues to grow, we are seeking motivated individuals who want to build a career with a company that values quality, integrity, and continuous growth.

Services

- Gutter Installation
- Bay Roof Installation
- Metal Roof Installation
- Flashing Installation
- Roof Repairs
- Custom Sheet Metal Fabrication and Installation

Position Overview

R&J Sheet Metal is seeking hardworking, dependable, and motivated individuals to join our growing team as Construction & Sheet Metal Installers. This position offers an excellent opportunity for candidates with construction experience who are looking to expand their skills within the specialized sheet metal and roofing industry. Whether you have previous sheet metal experience or are eager to learn a new trade, we provide hands-on training and support to help you succeed.

As a member of our team, you will work on a variety of residential and commercial projects, including gutter installation, bay roof installation, metal roofing systems, flashing, roof repairs, and custom sheet metal applications. Team members will travel to various residential and commercial job sites throughout St. Louis County, Franklin County, and Jefferson County, Missouri.

The ideal candidate takes pride in quality workmanship, enjoys working outdoors, is

comfortable performing physical labor, and values being part of a team-oriented environment. As R&J Sheet Metal continues to grow, this position offers opportunities for professional development, increased responsibility, and long-term career advancement within the company.

Responsibilities

- Install gutters, bay roofs, metal roofing systems, and flashing
- Perform roof repairs and maintenance
- Read and follow job specifications and installation instructions
- Safely operate hand tools, power tools, and equipment
- Lift and transport materials and equipment to job sites
- Maintain a clean and safe work environment
- Follow company safety procedures and industry best practices
- Work effectively as part of a team to complete projects on schedule

Qualifications

Required:

- 1-5 years of construction experience
- Valid driver's license
- Reliable transportation
- Ability to perform physically demanding work
- Strong work ethic and dependability

Preferred:

- Sheet metal fabrication or installation experience
- Roofing, gutter, or flashing experience

Training is available for candidates eager to learn.

Work Schedule

- Four (4) days per week
- Ten (10) hour shifts
- Overtime opportunities may be available

Compensation & Benefits

- Starting pay: \$24.00/hour
- Higher pay available based on experience
- Hands-on training
- Professional development opportunities
- Opportunity for advancement within a growing company
- Paid Vacation, and Holidays
- Health, Dental and Vision are also offered

Additional Requirements

- Background check may be required
- Drug screening may be required, if applicable
- Must be authorized to work in the United States
