

Microsoft Dynamics 365 for Education

Executive Overview Introduction

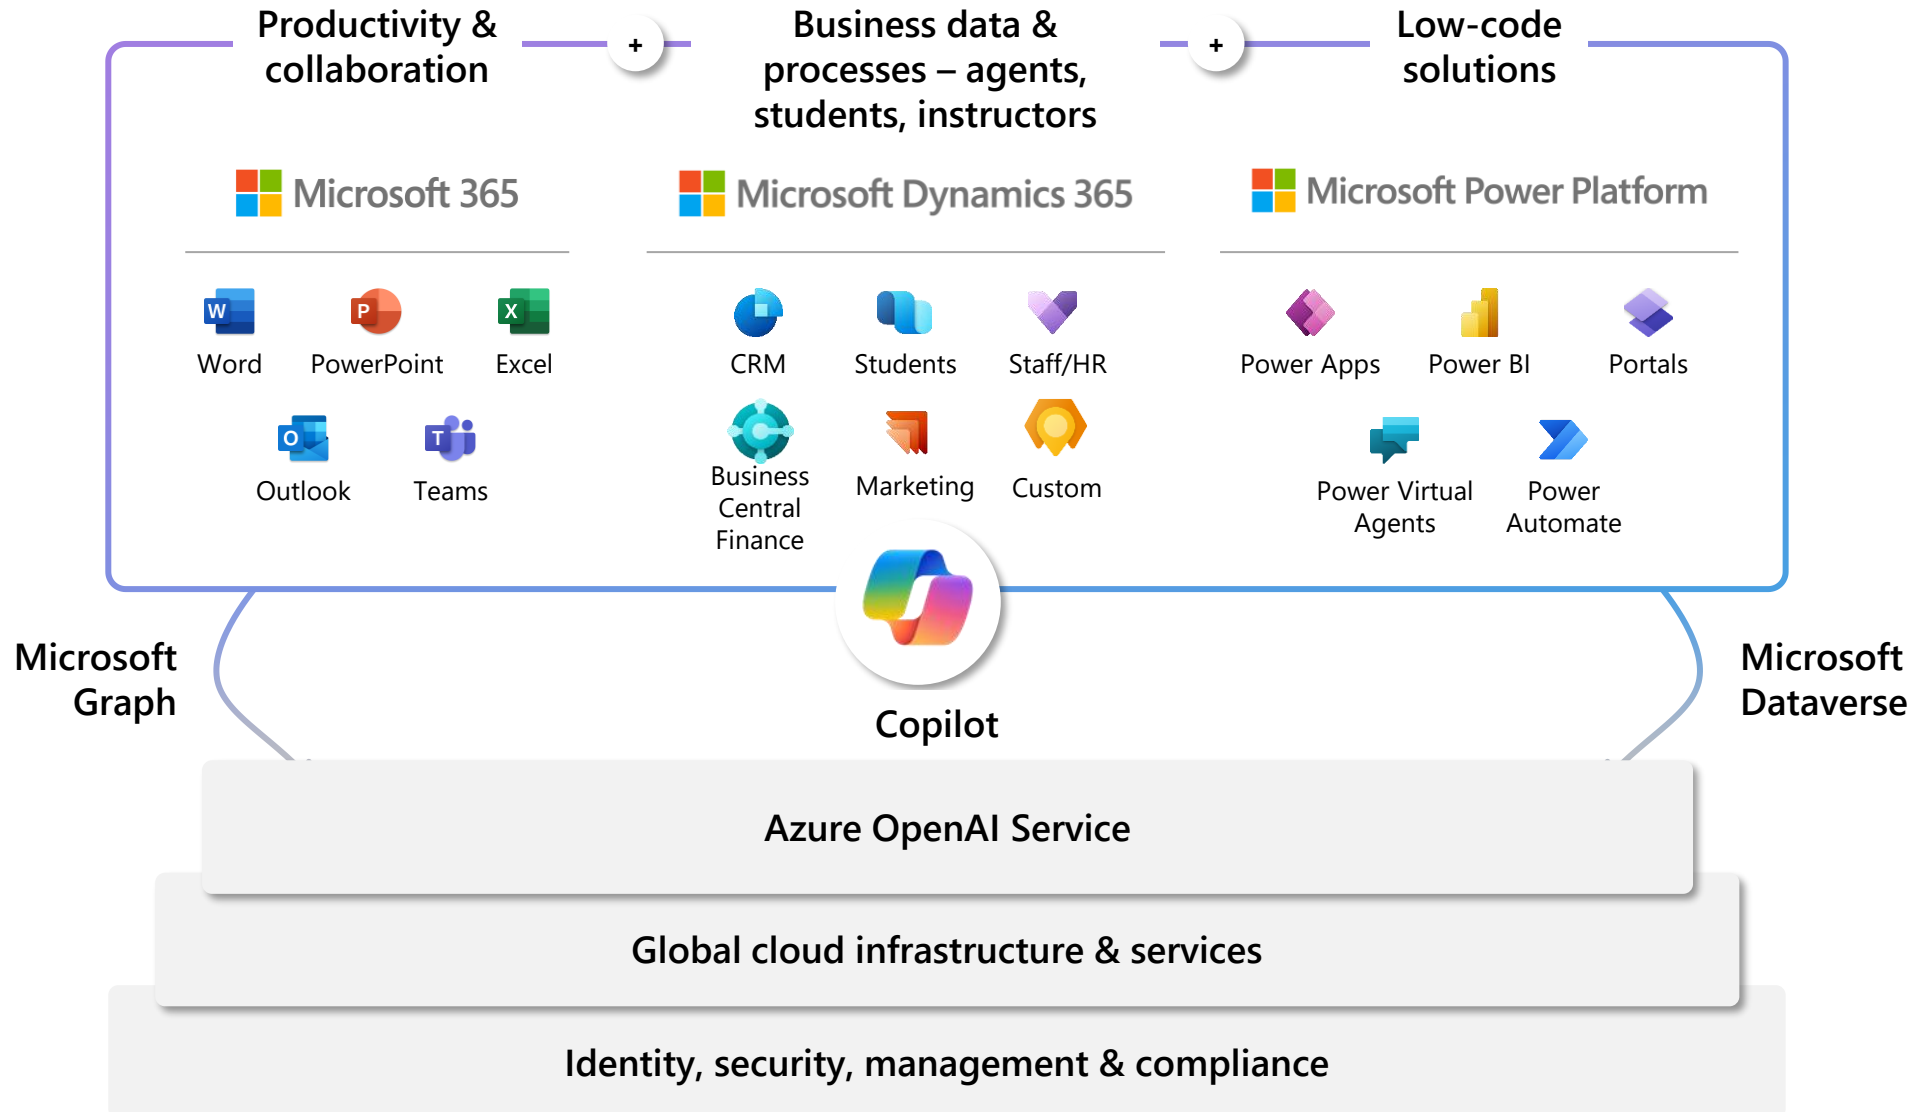

d365.Global

19 January 2026

- Agency management
- Student recruitment
- Pre-enrolment and enrolment processes
- Results entry, certification, graduate and alumni engagement
- Marketing automation
- Data and reporting
- Staff (teachers/tutors/general staff) recruitment and management
- Class and timetable management
- Student portal/login
- Education-focused finance and accounting (fees, payments, agent commissions, payroll)
- Relevant examples or brief case studies

"A single, integrated system that can support all functional roles, including Finance/Accounting, HR, and staff recruitment"

Dynamics 365 Business Central Capabilities

 Finance and Accounting • General Ledger • Unlimited Dimensions • Multiple currencies • Multiple companies • Budgets • Financial reporting • Consolidation • Intercompany postings • Statistical accounts • Cash flow forecast  • Fixed assets • Cost accounting • Deferrals • Electronic payments/direct debits • Customer payment process • Late payment prediction  • Bank account reconciliation  • Bank account management • Check writing			
 Sales and marketing • Marketing text suggestions  • Contact management • Campaign management • Interaction and email logging • Opportunity management • Dynamics 365 Sales integration	 Fulfillment and delivery • Sales invoicing  • Sales order management • Sales line and invoice discounting • Campaign pricing • Returns and exchanges • Dynamics 365 Customer Service integration	 Purchasing and payables • Purchase invoicing • Purchase order management  • Purchase return order management • Alternative order addresses • Purchase invoice discounts

 Service management* • Planning and dispatching • Service contract management • Service item management • Service order management • Service price management • Dynamics 365 Field Service integration	 Warehouse management • Bin Tracking • Inventory picks and put-aways • Warehouse receipt • Warehouse shipment	 Manufacturing* • Assembly management • Standard cost worksheet • Production bill of materials • Basic capacity planning • Machine centers • Version management	

Why Change ?

- Disconnected systems across CRM, student management, finance and HR
- Manual handovers between teams and departments
- Limited real-time visibility for executives
- Difficult to scale as student numbers, agents, and programmes grow
- Heavy reliance on operational workarounds

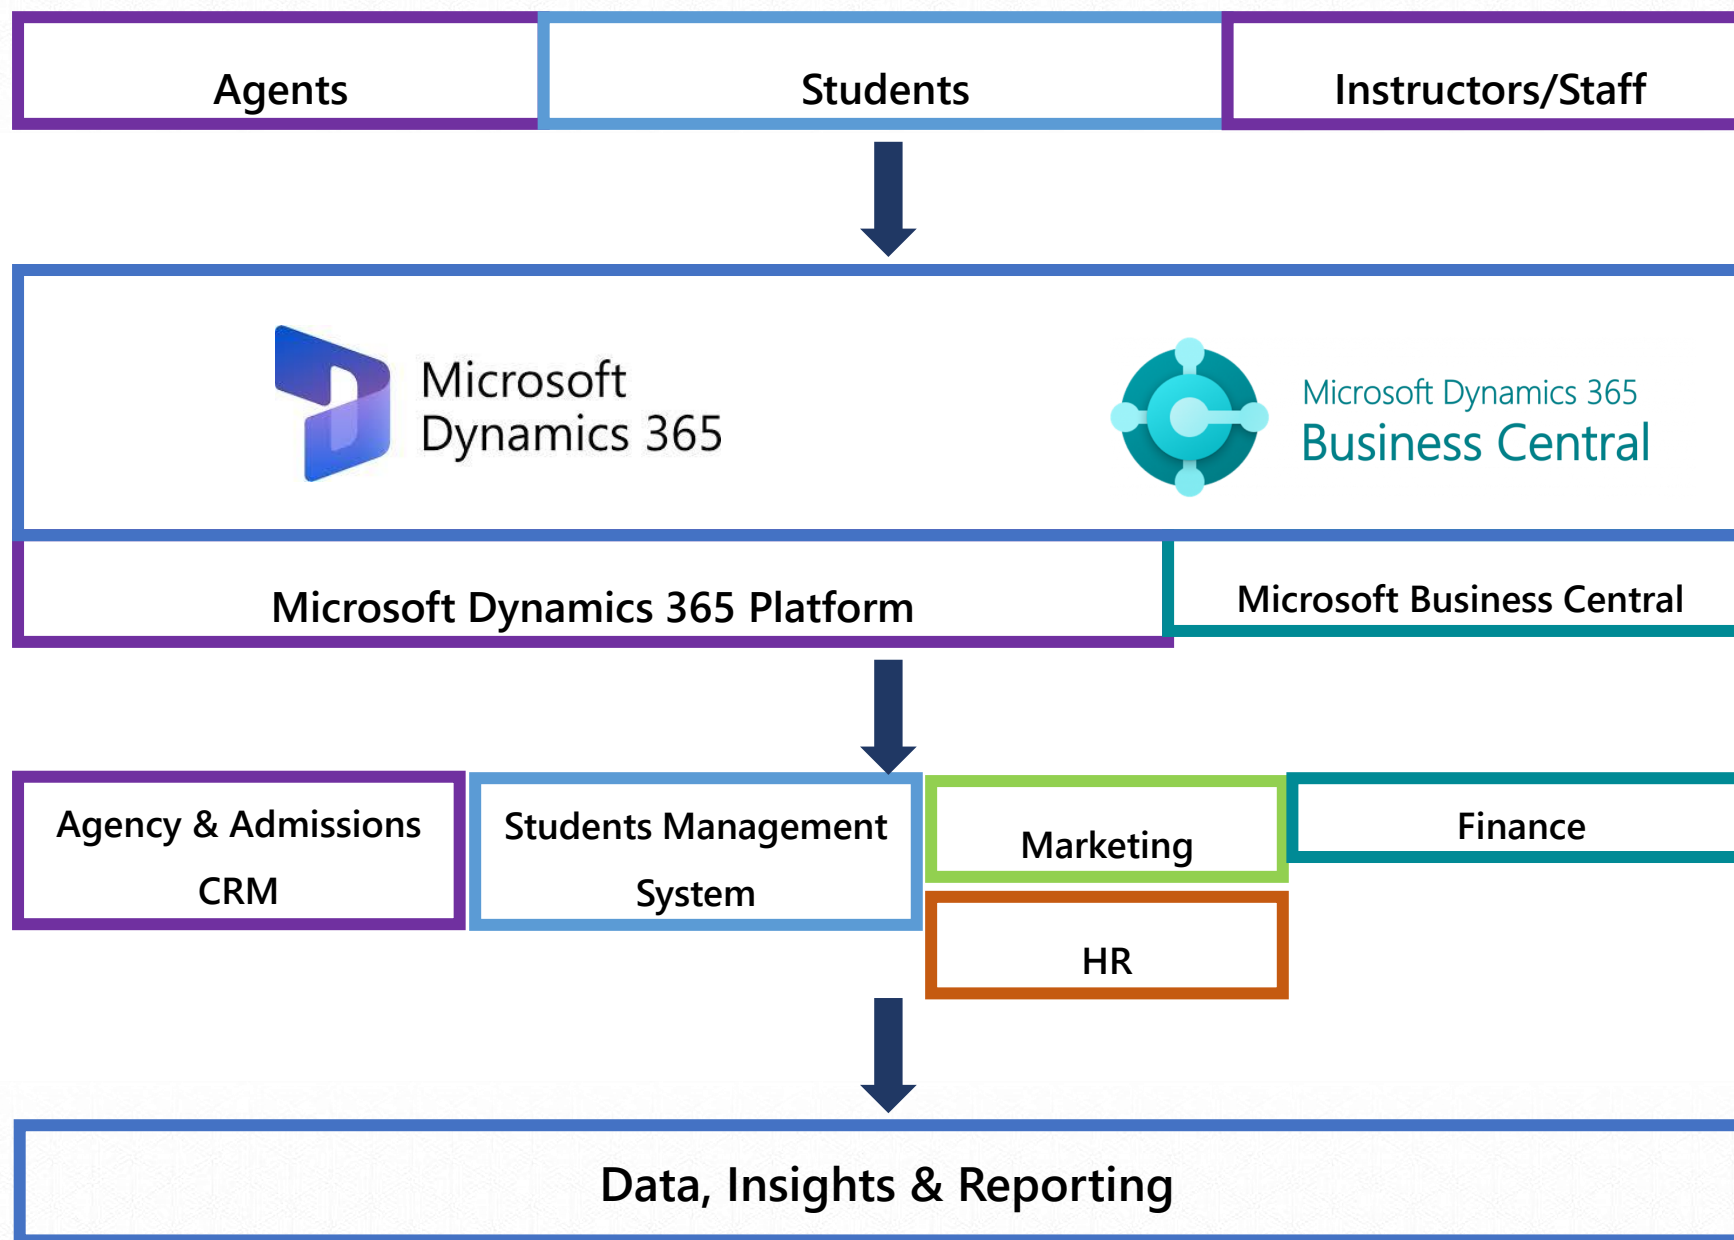

A single Microsoft platform

- CRM, Student Management, Marketing, HR, and Finance in one system
- Single source of truth for students, agents, staff, and courses
- End-to-end visibility across the full student lifecycle
- Role-based experiences for executives, staff, agents, and students
- Secure, scalable, and future-ready

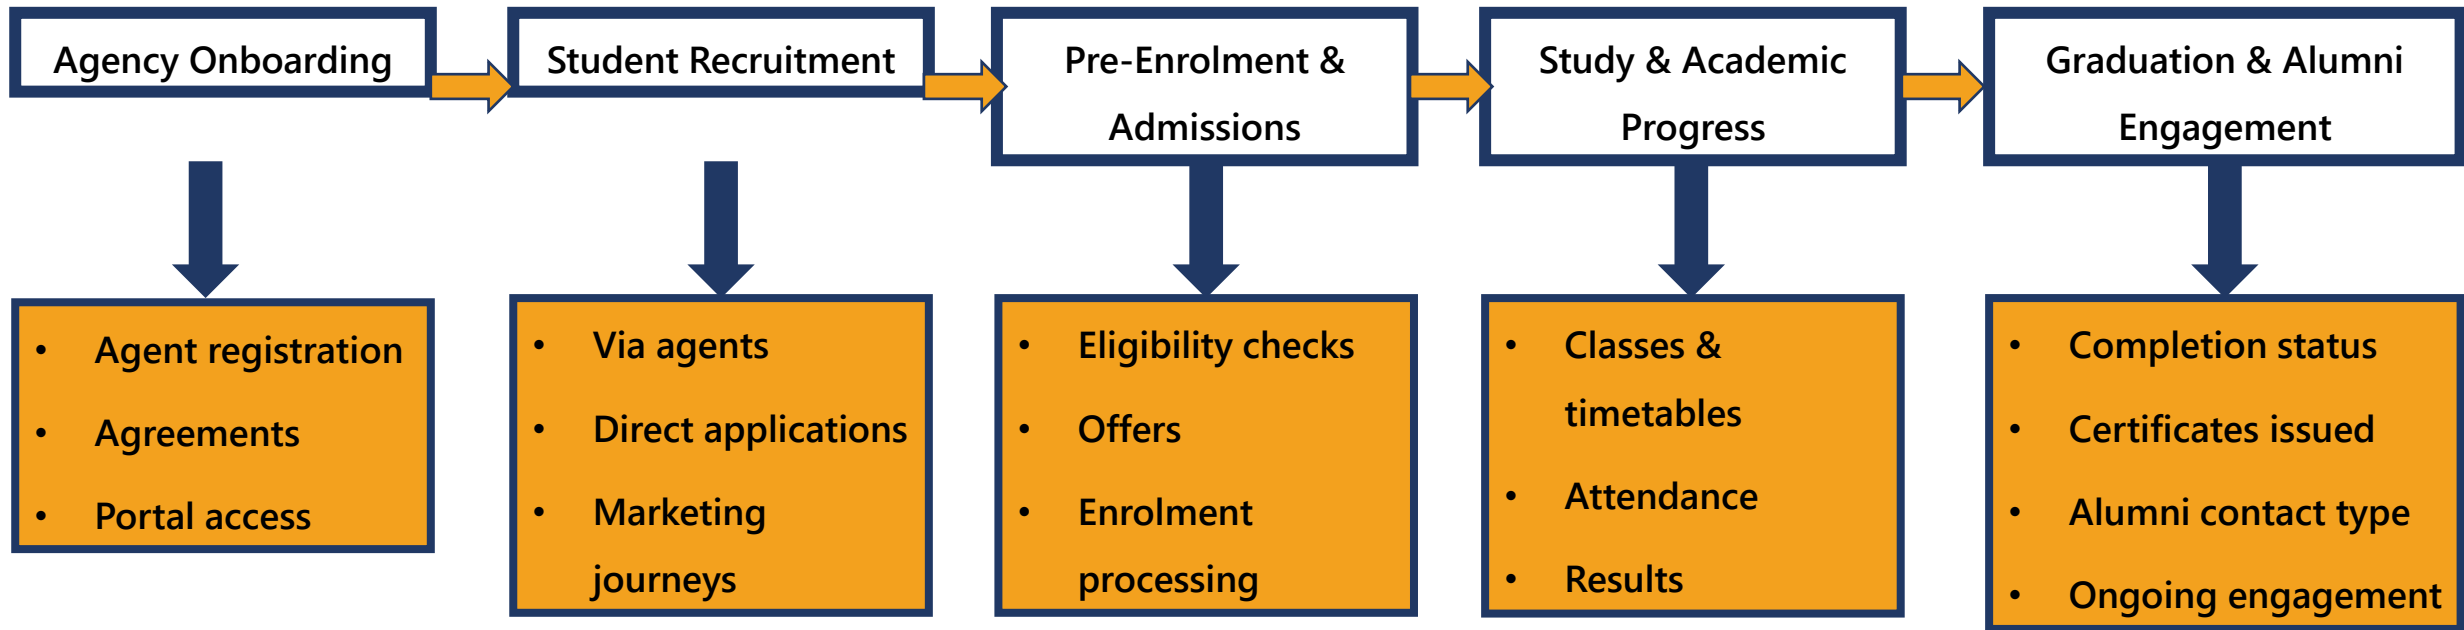

Microsoft Dynamics 365
Business Central

End-to-End Agent & Student Lifecycle

A single, connected lifecycle from agent onboarding through student graduation and alumni engagement.

- Centralised agent onboarding and approval
- Standardised agreements and documentation
 - Secure agent portal access
 - Agent-led student recruitment
- Ongoing agent performance visibility

- Step 1: Agent Application:
 - Online registration form
 - Basic agent & organisation details
- Review & Approval
 - Eligibility checks
 - Internal approval workflow
- Agreement Issued
 - Standard contract template
 - Digital distribution and tracking
- Portal Access Granted
 - Secure login
 - Access to courses & applications
- Agent Portal
 - Submit student applications
 - Track application status

Current Systems:

- Agency Application Form
- Customer Insights for
 - Sending emails to Referees (x2)
 - Sending Contracts to Agents
 - Sending Approvals and Credentials for Portal Access
- Admissions App:
 - Receive Agent's applications (creating Lead and BPF to recruit Agent)
 - Manage Agents (contacts), Agency (Account)
 - Agency Reports (Power BI)
- Agency Portal
 - Programme/Course Catalog
 - Submit Student applications

Student Recruitment (Agent & Direct)

Students can apply either through approved agents or directly, while following the same controlled recruitment process.

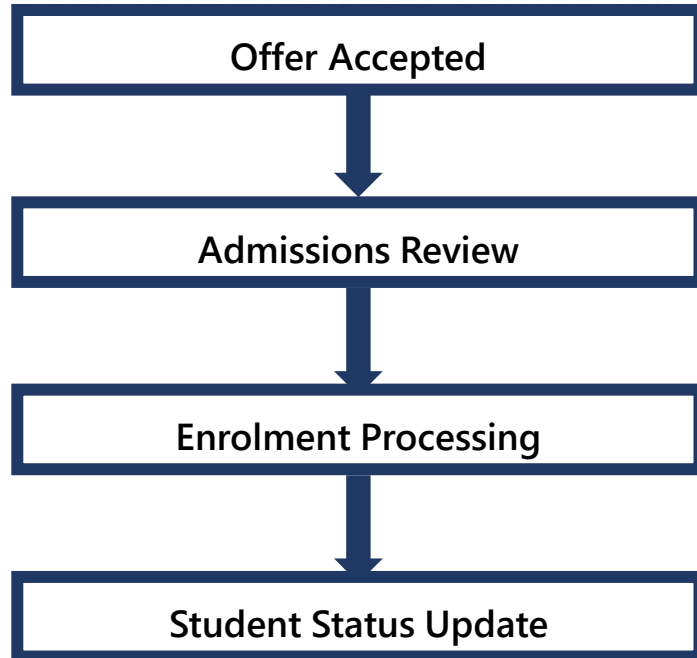

- Agent-submitted student applications via portal
- Direct student applications via online forms
- Centralised lead management in CRM
- Consistent eligibility checks and approvals
- Full visibility across all applications

1. Application Received
 - Submitted via Agent Portal or Student Form
 - Captured as a Lead in Dynamics 365
2. Eligibility & Qualification Checks
 - Review qualifications / visa status (if applicable)
 - Validate required documents
3. Offer / Outcome Decision
 - Issue Offer / Next steps (or request more info)
 - Track decision and communication history
4. Student Record Created
 - Convert to Student/Contact record
 - Link to program/course of interest
5. Portal Access & Enrolment
 - Send login credentials
 - Student proceeds through enrolment steps in the portal/app

Pre-Enrolment & Admissions Management

Admissions teams manage all pre-enrolment and enrolment activities through a single, guided workflow.

- Central admissions workspace (Admissions app)
- Guided enrolment process (stage-based)
- Clear visibility of student status
- Reduced manual handovers and follow-ups

Current Systems:

- Agents Portal
 - Submit Student Applications
 - Track Enrolment Status
- Customer Insights for
 - Sending emails to possible candidates
 - Sending offer/approvals to students
 - Sending Credentials for Portal Access
- Admissions App:
 - Receive students direct applications (creating Lead and BPF to Enrolment)
 - Receive Students Enrolments from Agents
 - Manage Student (contacts) -> From Candidate to Student
 - Students Reports (Power BI)

Certificate in Health and Wellbeing (Level 4)

Aug 7, 2025 - Aug 27, 2026

Program Description

The Certificate in Health and Wellbeing (Level 4) provides learners with foundational knowledge and practical skills to support health, wellbeing, and quality of life across diverse settings. This course explores key topics including physical and mental wellbeing, healthy lifestyle practices, nutrition, stress management, and personal development. Learners will gain an understanding of factors that influence health and wellbeing, develop effective communication and self-care strategies, and build the confidence to support individuals and communities in maintaining healthier lives. The course is suitable for those seeking to enhance their personal wellbeing or progress into further study or entry-level roles within health, community, and wellbeing-focused sectors.

Enrollment

Submit an application for a new candidate or manage existing students.

Begin New Application

You will be asked to provide candidate details and upload a resume.

Student Management → Academic Progress, Results & Graduation

Track and manage a student's full academic journey — from classes and attendance through to results, graduation, and certification.

1. **Classes & Timetables**
 - Students assigned to classes and schedules
 - Timetables visible to staff and students
2. **Attendance & Learning Activities**
 - Attendance captured per session
 - Learning activities recorded
3. **Results & GPA**
 - Results entered per course / assessment
 - GPA calculated based on academic rules
4. **Graduation & Certification**
 - Graduation status updated
 - Certificates generated automatically

Student Portal & Student Management System

Students and staff interact with the academic lifecycle through secure self-service portals, supported by a central Student Management system.

Student Portal
(Self-Service Experience)

Student Management System
(Dynamics 365 App)

Student Portal – What Students Can Do

- Secure login
- View enrolment details
- Access class schedules and timetables
- Track attendance and academic progress
- Receive communications and updates

Student Management System (CRM App) – What Staff Can Do

- Manage student records and status
- Process enrolments and changes
- Enter and review results
- Track academic progress and graduation
- Maintain a single source of truth

Current Systems:

Students Portal

- Student Profile and current status
- Course/Class Enrollments
- Schedule and Timetables
- Attendances
- View Program/Course Report -> GPA
- Alumni Management

Customer Insights for

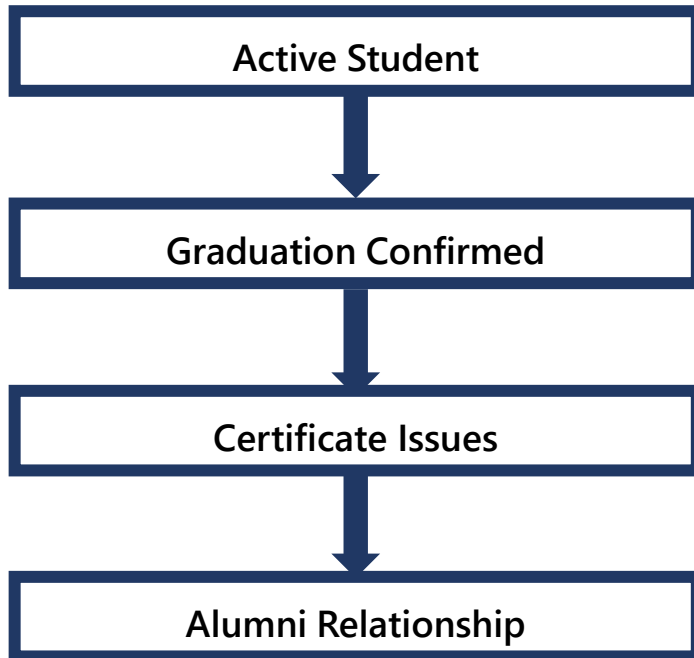

- Sending emails to students:
 - Welcome Email with course details and credentials to login to student portal
 - Graduation Certificates
 - Alumni communications

Student Management System App:

- Track Students (Contacts)
- Mark Attendances
- Create Program/Course/Classes
- Class Schedule and Timetable Management
- Room Allocations
- Generate Reports -> GPA Calculations
- Graduations
 - Change Contact type to Alumni
 - Generate Certificates
- Alumni Management
- Programme/Course/Class Management

Student Management System - Graduation & Alumni Management

Student relationships don't end at graduation — they transition into long-term alumni engagement.

Key Capabilities

- Track student completion and graduation status
- Automatically issue graduation certificates
- Convert students to alumni profiles
- Maintain ongoing alumni engagement and communication

Automated, personalised engagement across the student and agent lifecycle - without manual effort.

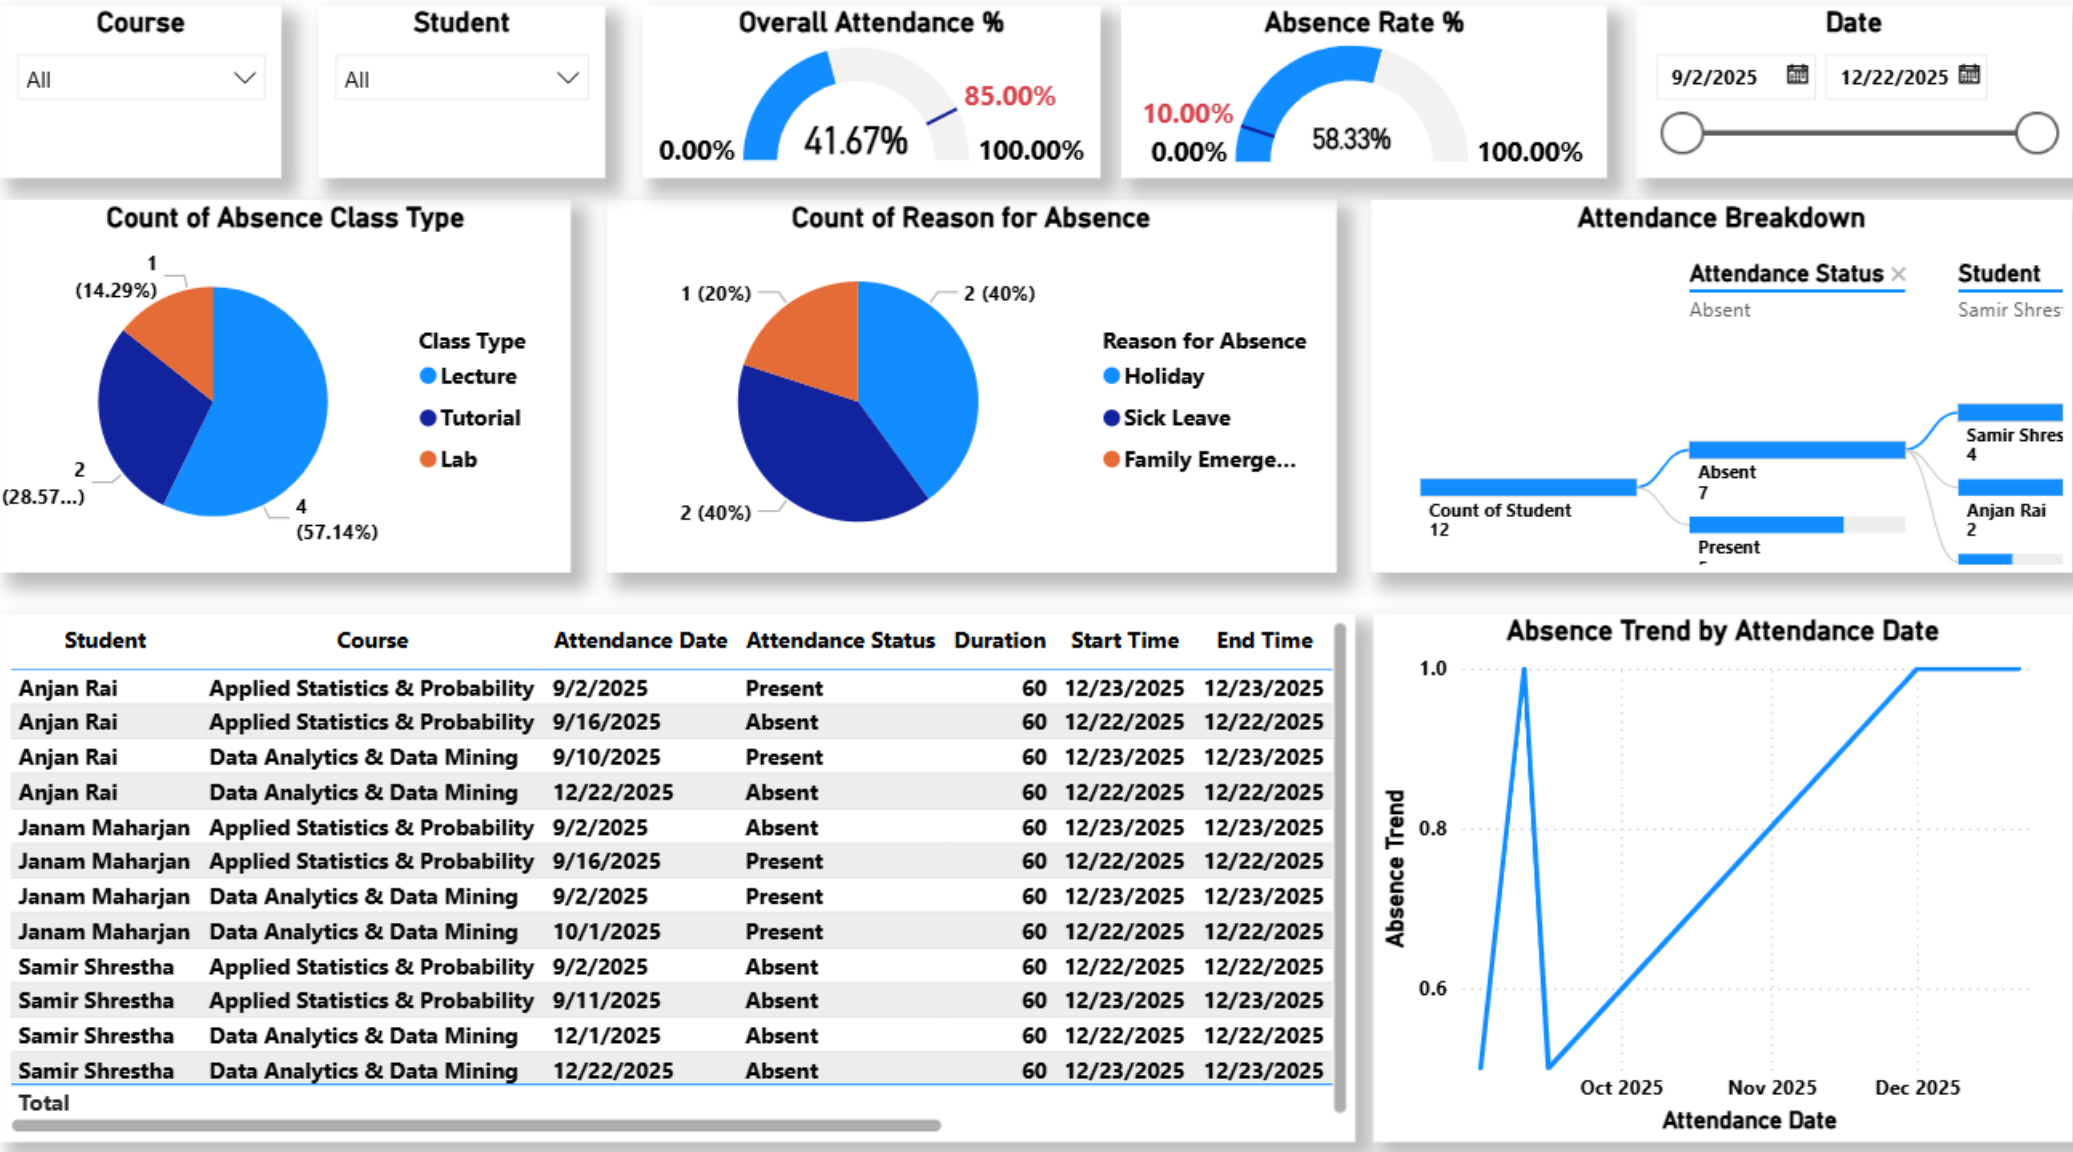

Key Insight Areas

- Student recruitment funnel and conversions
- Agent performance and contribution
- Course and program performance
- Attendance, progression, and completion trends
- Executive-level KPIs and summaries

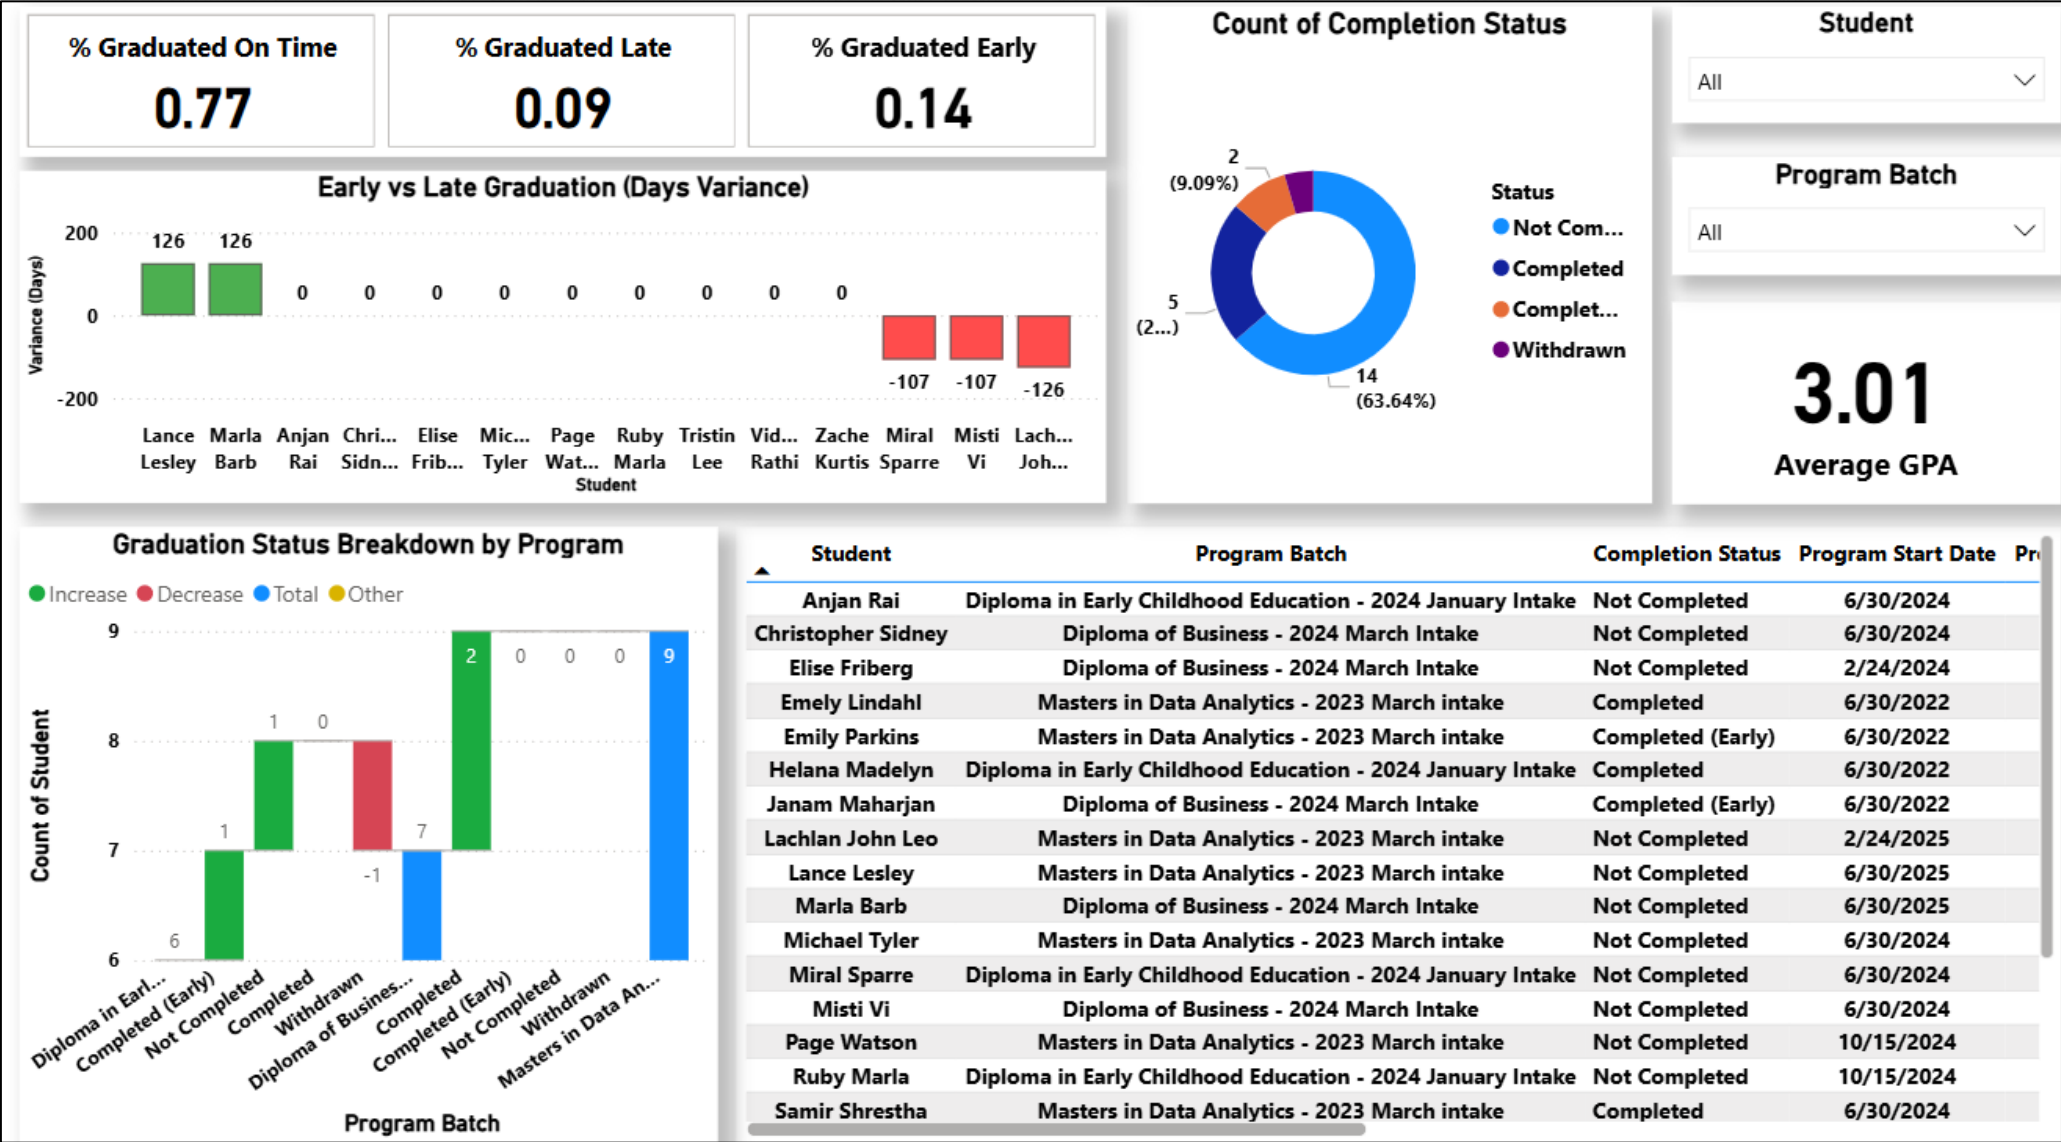

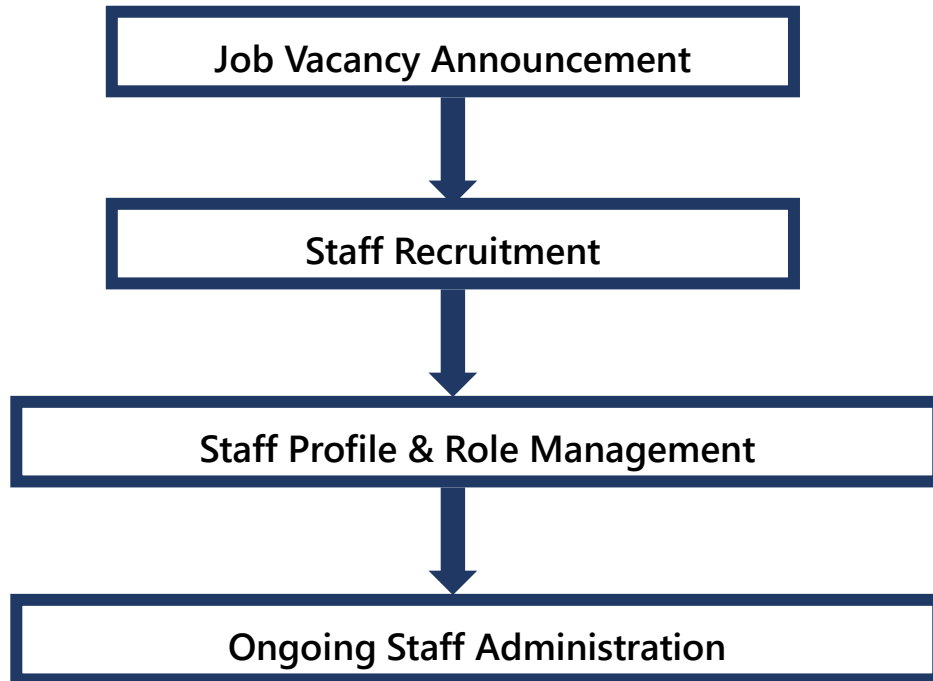

Data, Insights & Reporting – Graduation

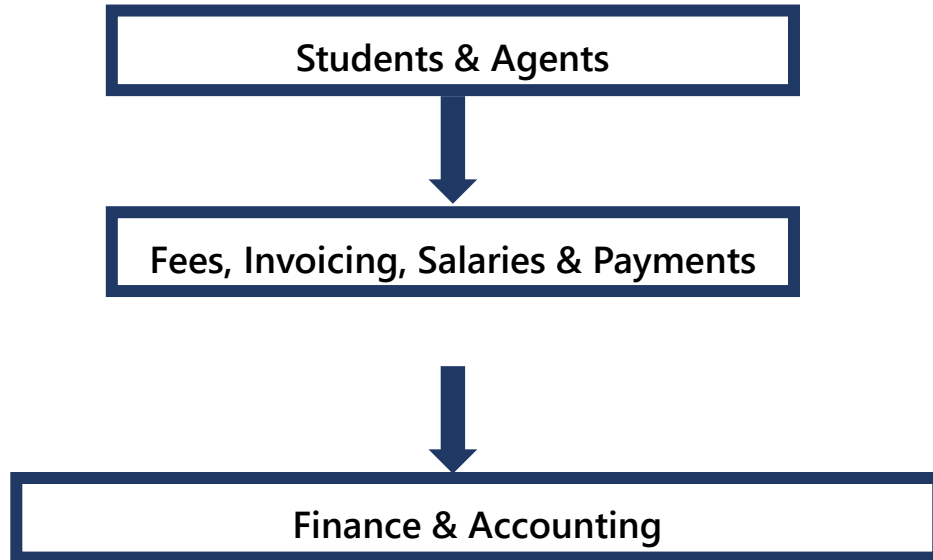

A centralised system to recruit, onboard, and manage academic and administrative staff.

Key Capabilities

- Staff and instructor recruitment workflows
- Central staff profiles and role assignment
- Secure access to staff systems and portals
- Support for academic and administrative roles

Financial operations are tightly integrated with student, agent, and academic processes.

Key Capabilities

- Student fees and invoicing
- Payment tracking and reconciliation
- Agent commissions management
- Financial visibility across enrolments and programs

About sales order details

Choose the order details and fill in order lines with quantities of what you are selling. Post the order when you are ready to ship or invoice. This creates posted sales shipments and posted sales invoices.
