

**THE DEATH & RESURRECTION DOULA
Collaboration Association**

Welcome to the **Death & Resurrection Doula Collaboration Association!**

The Death and Resurrection Doula Collaboration Association promotes a Christian worldview and standardization of Christian end-of-life doula services. The Association is an **alternative** to The National End of Life Doula Alliance (NEDA.org), a "membership league" and "centralized source" of support for certified End-of-Life Doulas, which considers itself "to be the primary resource for comprehensive and current information about EOLDs." **NEDA does not have any regulatory agency over the end-of-life doula movement.**

Convene Communities is a **Platform with a Purpose**. One platform log-in provides access to training *and* the resources to grow a dynamic ministry. Convene Communities sets the Death and Resurrection Doula Community apart from the other doula training programs.

The Death and Resurrection Doula Collaboration Association is a subscription membership for Death & Resurrection Doulas. Joining this group will boost your ministry development through mentorship, robust **continuing education** opportunities, the *Death & Resurrection Doula Support Group* (monthly spiritual support), and access to curriculum additions and changes in the global end-of-life doula movement.

A one-year membership to the Death & Resurrection Doula Collaborative Association is part of the Death & Resurrection Doula Training Fee and can be renewed after 1 year at \$25/month.*

If you wish to cancel your monthly subscription, simply go to *Subscriptions* under **My Profile**.

Death & Resurrection Doula Community Storefronts

Whether or not your business is a for-profit business, you need a storefront! Storefronts make up the Death & Resurrection Doula U.S. State and International Directories. Storefronts are the way to expand the reach of Christian end-of-life education and services around the world. Just like a shopping mall with a variety of offerings, the **Death & Resurrection Doula Community Storefronts** provide ministry services branded by each individual Death & Resurrection Doula. The Death & Resurrection Doula Collaboration Association is a support resource for branding and building your storefront.

Community Groups

Beyond building a Storefront, larger groups can use Convene Communities, too! Equipping lay ministries on how to engage with their communities in end-of-life conversations and service should be one of the main tasks of the Church in the 21st century. Certified Death and Resurrection Doulas can help build new ministries or engage with existing ministries of the Church to expand services by providing the skills to support their communities in conversing about death, preparing for the future, and caring for the immediate needs of terminal patients and their families. Become a leader in a strengthening your community through social connection in end-of-life care!

Community Builder Mentors

Community Builder Mentors will be a vital addition to the Collaboration Association beginning Fall 2025. These mentors are trained to lead small groups in the following areas:

- The Death & Resurrection Doula Community Vision
- Training Onboarding & Support
- Crafting Your Story Experience (Module 1)
- Building Storefronts & Community Groups
