

PROMOTE SHARING
& TURN TAKING
THROUGH PLAY

Turn-taking and sharing are basic communication skills, that are tricky to teach pre-schoolers and requires lots of time and practice to master them.

Teamwork activities
and group play are a
great way to get all
the children
involved.

1. Modelling good behaviour

2. Play team games

3. Explain empathy

4. Use sand timers or whistles as a "Switch over"

5. Praise and reward
good sharing and
turn taking
