

# 100 HOUR CHALLENGE

*"Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms."  
1 Peter 4:10*

The 100-hour challenge is a way for you, your church, civic club, school or business to help Sonoma County Churches United Relief in partnership with Hope City to rebuild homes in Sonoma County for families impacted by the Tubbs and Nuns Fires.

Our goal for 2019-2020 is to build 14 homes for families with little or no insurance. Each family that is chosen goes through an extensive case management process. All projects are funded, but what we need is you!

**Are you up for the challenge?** We are looking for volunteers with trade skills such as: foundations, framing, roofing, siding, electricians, plumbers, dry-wallers, flooring, cabinets, painters, windows & doors, finishers, general handy, hospitality, chaplains, unskilled individuals who can help keep things clean.

***In other words, we are looking for you!***

Are you up for the challenge? Prayerfully consider the serious need for serving others in Sonoma County. Once you have accepted the challenge simply fill-out the form below and email it to Dennis Hart SCCUR/Hope City Volunteer Coordinator at [dhart51@pacbell.net](mailto:dhart51@pacbell.net) or give him a call 707-477-0332.
