

THE KEENE POOL LEAGUE BYLAWS

REV.6/21/2023

ABOUT:

The Keene Pool League is locally operated, and matches run each Monday night during sessions. The league is governed by its players; all rules are voted on by the team-captains that function as representatives for their players in the interest of fostering a fair and friendly, competitive environment. The Handicap Review Committee is tasked with ensuring each player's skill-level is accurately represented. The Board ensures that all teams are operating in accordance with their rules.

PURPOSE:

The purpose of this document is to uphold the KPL Board to a set of standard operating procedures. As well as to outline the roles of all administrative positions (KPL Board, HRC, Team Representatives, and the Scorekeeper).

KPL ROLES DEFINED:

- PRESIDENT

The President is the highest-ranking position on the Board. Responsibilities include but are not limited to: setting the timeline and schedule for each session, and calling meetings to address emergent problems (i.e., reviewing grievances, mediation, or to address any other unforeseen matter). Any duty of the President can be delegated to KPL Board members in the interest of continued functionality.
