

## POTENTIAL OWNERS QUESTIONNAIRE

Thank you for showing an interest in our wonderful Truemarks puppies. We are a family that dotes on our dogs and the beautiful puppies they have.

I have an enormous amount of enquiries, so for that reason, I operate a waiting list system.

We will only consider the best homes for our puppies and this questionnaire is a really important part of the process for us. I have no doubt that you are longing for a four legged friend to join your family, so please do answer these questions as thoroughly and as honestly as possible. There are no wrong answers

You can send this back to me on my email [ruemarks16@hotmail.co.uk](mailto:ruemarks16@hotmail.co.uk)

I will get back to you as soon as possible.
