Consideration for Morning Placement

Enrollment for new families in our Morning class is particularly limited. If your family has a special circumstance* that you would like the Membership Team to consider in connection with your request for a Morning class placement, please share it below.

** Please note: In our experience a child's nap schedule at the time an application is submitted tends not to be an issue once the child starts school in the fall; therefore, we do not consider naps as a factor in our placement decisions. When your child starts school, our experienced staff and director will help parents with nap schedules should they conflict with school hours.*
