

MLJ Granites Private Limited is engaged in the processing and supply of granite, marble, travertine and onyx slabs within the domestic and international markets. We provide varied sizes and surface finishes through captive capabilities and strategic alliances with processors across India with a supply capacity of over 100 containers a month.

MLJ Granites is a subsidiary of Misrilall Jain (MLJ) Group, which is originally a family owned and operated mining company headquartered in Kolkata since 1936 with operations in Jharkhand and Orissa. A pioneer in the East India mining industry and one of the first private mining business groups in India engaged in mining of Ore, Chromite, Dolomite, Manganese, Limestone & china clay. MLJ Group has been the largest privately owned chromite Export Company also recognized by CAPEXIL and FIMI has graced honor on the founder of the MLJ Group by having an award named after him, Late Shri Misrilall Jain.
