Journey of Hope Returns!!

On Friday, July 4th, the WRAC will play host once again to The Ability Experience's **Journey of Hope**. Each year, over 50 men involved with the Pi Kappa Phi fraternity raise funds and awareness for children with disabilities. These men trek across the United States on bicycles in two different teams. The North Team has about 35 cyclists and rides from San Francisco to Washington, D.C. with a one-night stop right here in Wray, Colorado before making it to their next stop in McCook, Nebraska!

Thank you to all of the community members who have volunteered to help feed these boys. We appreciate your support and know your contributions helped support a great cause!

On June 21st, the WRAC held its annual Father Daughter Dance. Twenty-one "dads" and their girls joined us for the event. They danced, ate sweet treats, posed for pictures, and even competed in a hula hoop contest! Congratulations to Ruby Campfield for winning the girls' door prize and to Josh Snapp for winning the dad's contest!

The event could not have been possible without the help of many community members and organizations. Thank you goes out to all the moms who donated the yummy treats for the event! Thank you goes to the WRAC staff for helping with decorations. A final thank you goes to all of the amazing dads who brought their girls out to the event. The smiles on each and every girl's face walking into the dance was proof of just how much it meant to them!! All pictures taken that night are available on the WRAC's Facebook page.

PHIT CAMP UPDATE

We have just one week of PHIT Camp left in this summer's session, and what fun have we had! Thirty-four kids in kindergarten through sixth grade have joined us for camp this summer. Throughout this session, we have done cooking, crafts, and played lots of games! One of our favorite activities so far has been creating bottle rockets and shooting them off outside the WRAC. Tug of War is also a fan favorite with the kids! We have an exciting last few days of camp planned with a 4th of July Party, a picnic day, water day, and carnival day to finish this session off!
