-------------------------	----------------

RULES FOR EXHIBITORS

1. There will be no entry charge or charge for exhibits.
2. Anyone who grows Dahlias may exhibit in this show and need not be a member of the Southtown Dahlia Club. Only members who have paid dues and are, therefore, members in good standing will be eligible to receive medals or trophies. All others will receive ribbon awards.
3. Exhibitors shall determine the class they will exhibit in by counting the number of hills of AA, A,B,& BB Dahlias they are growing at the time of planting. Not included are seedlings, miniatures, balls, miniature balls, pom pons and all other small blooming types. When two or more members from the same family exhibit, they must show in the same section. An amateur exhibitor winning sweepstakes in a section the previous year must exhibit all their Dahlias in the next higher section this year.
4. If an amateur exhibitor elects to enter any of their disseminated blooms in a higher class than the one according to the hills they are growing, then all of their blooms must be entered in the higher class. For instance: An exhibitor grows 60 hills (Sec. B) but elects to show in Sec. C, then all their disseminated blooms must be exhibited in Sec. C. Any exhibitor may enter undissemated blooms seedlings in Sec. E.

4. (continued) Any exhibitor entering a section in which they are not entitled to show their blooms will be disqualified in that section. All exhibits must be in place by 10:00a.m. on Saturday.
5. Entry tags must be attached to each entry and will be furnished by the club and must be filled in completely.
6. All specimen blooms, except seedlings and vase arrangements, must be grown by the exhibitor.
7. Exhibitors are responsible for the proper placement of the exhibits. All Dahlias must be classified. Dahlias not listed in the ADS Classifications list will be submitted to the classification committee for classification signature. The exhibitor is responsible for placing these classified Dahlias in the proper class. Except vase arrangements, all dahlia blooms must be disbudded and have at least one pair of true leaves
8. Ribbons will be awarded to first place, second place and third place in each class, except as otherwise noted. In determining the winner of sweepstakes, each first will count three points, each second will count two points and each third will count one point. An additional three points will be awarded for the largest bloom, the most perfect "AA" size bloom, most perfect "A" size bloom, most perfect "B" size bloom, most perfect "BB" size bloom, three most perfect blooms in miniature, poms and "any type" selected by the judges from the blue ribbon winners.

8. (continued) Also, an additional three points will be awarded to the most outstanding entry where these classes are designated, counting three points toward sweepstakes. In addition, three points will be awarded for the largest bloom and most perfect bloom in the show.

Sweepstakes in multiple bloom section will be figured as follows:

	1st	2nd	3rd
3 bloom entry	3pts	2pts	1pt
5 bloom entry	4pts	3pts	2pts
10 bloom entry	5pts	4pts	3pts
20 bloom entry	6pts	5pts	4pts

No firsts need to be given for the judges to award a second and or third. If the judges consider a sole entry of outstanding quality, a first award may be given.

9. In the event of a tie for sweepstakes in any section, the exhibitor with the greatest number of seconds will be the winner. This also applies to the runner-up.
10. An exhibitor must not enter any area where any of his entries are being judged to avoid having his entries penalized. Any entry considered unfit for exhibition may be removed by the show chairman, and the judges shall withhold awards when they consider entries unworthy. The use of artificial material to support Dahlia stems such as wire or cord will disqualify an exhibit.

11. The decision of the judges shall be final unless the show chairman requests a re-judging. Any protest made by an exhibitor must be made in writing to the show chairman within two hours after judging and a deposit of \$1.00 in cash shall be made with such protest. The deposit will be returned to the exhibitor making the protest if the show chairman finds that there has been an error in judging.
12. Containers will be furnished for entries in the specimen bloom classes.
13. The show committee will not be responsible for loss or damage to exhibits or personal property of exhibitors, but will exercise utmost care for their property. The committee suggests that the exhibitors, who supply their own containers, attach their names and addresses in an inconspicuous place.
14. All blooms are to become the property of the Southtown Dahlia Club. No flowers may be removed from the show without consent from the show chairmen.
15. Only disseminated named varieties may be exhibited in competition except in sections E,G,H and M and in classes for artistic arrangements and for seedlings.
16. If an exhibitor has a cloth enclosure, they must exhibit all of their blooms except BB's, miniatures, poms and seedlings in that section provided for Dahlias grown under cloth, even though some of them may have been grown in the open.
17. No Dahlias will be disqualified for being oversized or undersized, but may be scored down if it detracts from perfection.
18. The show committee reserves the right to change or modify any of the rules deemed expedient.
19. Winners at this show must arrange to pick up trophies or medals either at the awards banquet or at the first regular meeting

DEFINITIONS

AMATEUR

An amateur is an individual who raises Dahlias for the pleasure derived there from and does not regularly employ professional help to care for them from the time they are planted until digging time.

NOVICE

A novice is an individual who raises Dahlias for pleasure and is not engaged as a florist, gardener, semi-professional or commercial grower. A novice may exhibit in the Novice class for 3 years in succession, unless they choose to move to a higher class, even if they have exhibited blooms elsewhere. A novice will show all of their blooms in this section. The sweepstakes winner of this section will move up for the next show.

DISSEMINATED DAHLIAS

Those dahlia varieties which are available for sale.

UNDISSEMINATED DAHLIAS

Those dahlia varieties which are NOT available for sale.

CLOTH ENCLOSURE

A "Cloth Enclosure" is a framework to which is attached or suspended material which covers the top and all of the sides.

HILL

A "Hill" of Dahlias is a plant irrespective of the number of shoots growing direct from the ground. If planting is done so there are two plants to a stake, this counts as two hills.

SPECIMEN BLOOM SECTIONS

All Dahlias must be entered accordance with the current American Dahlia Society Classification and Handbook of Dahlias.
