

STUDY MATERIALS

1. Print the Medical abbreviation and Key terms quizzes work sheet pages, and complete both quizzes, also print the 16 Modules review exercise pages from the Textbook on this online material page, complete them and email or fax all materials to school to achieve class work credits and hours.
2. Read the "COURSE CONTENT" handout on this page to learn more on use of internet/social media, cell phones, Conflict Resolution and Communication.
3. Summarize Module 10, 11, 12 and 16 of the attached school textbook, in not less than 2 pages each per module, and also fax or email to school.
4. Click on the State Skills video link on this page and watch skills videos, as well as practice along with video. Also, schedule a day to come to the Arlington school in person to watch School Instructor's hands-on State Skills demonstration and student practice.
5. Do all 3 exams on this page and fax or email Answer sheets to school.
6. Print the Sign-in sheet on this page, write your name ten times under "STUDENT'S NAME", sign ten times under "STUDENT'S SIGNATURE", and fax or email sheet to the school. The school will include your hours once you complete all your assignments.
7. Practice as many Tests as possible with the Downloaded practice test/practice exam in the E-BOOK on this page to prepare for the State Test.
