### **PLEASE CONSIDER THE FOLLOWING:**

Some cats take longer than others to adopt out, factors such as age, energy level, behaviours, etc. play a role in this.

We try to place cats in "forever" homes.

We see cats surrendered for various reasons.

We look at the age, characteristics & habits, as well as the commitment the fosterer is able & willing to place on their foster cat. We try to match the cat's temperament & potential needs to the fosterer's ability to provide for the cat.
