PLEASE CONSIDER THE FOLLOWING:

Some animals take longer than others to adopt out, factors such as age, energy level, behaviours, etc. play a role in this.

We try to place pets in "forever" homes.

We see pets surrendered for various reasons.

We look at the age, characteristics & habits, as well as the commitment the fosterer is able & willing to place on their foster pet. We try to match the pet's temperament & potential needs to the fosterer's ability to provide for the pet.
