

NON-MEDICAL SUPPORT SERVICES

STAFFING & COMPANION CARE AGENCY

Personalized support centered on your needs

OUR NON-MEDICAL REVIEWS & CHECK-INS

Helping individuals and families plan for safety, support and independence at home

✓ Home Safety & Support Review

Observations of lighting, pathways, clutter and common household concerns.

✓ Wellness Check Visits

Brief in-person check-ins focused on comfort, safety and everyday needs.

✓ Companion-Care Consultation

A conversation about companionship, routines and preferred support.

✓ Daily Living Support Review

Identifying non-medical help needed with meals, laundry, errands and routines.

✓ Socialization & Activity Review

Exploring meaningful activities, outings and opportunities for connection.

✓ Meal & Household Support Review

Checking meal-preparation preferences and essential household supplies.

✓ Transportation Support Review

Planning assistance for appointments, errands and community activities.

✓ Family Caregiver Check-In

Discussing caregiver concerns and possible community or professional referrals.

✓ Emergency Preparedness Review

Reviewing contacts, communication access and basic household readiness.

✓ Community Resource Consultation

Connecting families with relevant local programs and referral professionals.
