

Redefining Rural and Urbanscapes

KATTADA TIMES

MARCH 2019 ~ Issue #24

Spotlight

NIVASA's mission is to enable humane and dignified housing conditions, for the rural and urban poor, through design.

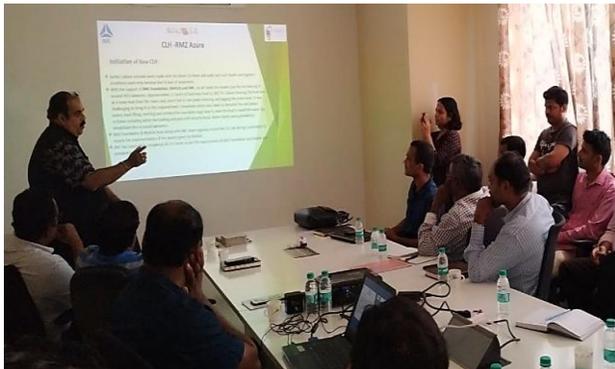

1. Nivasa eligible for foreign funds!

We are happy to share that NIVASA is FCRA registered! This will open more doors and more hearts, to help us impact more, and more meaningfully!

2. Ripple Effect- From Camp to Community

Mr. C. Kamath, VP, JMC Projects Ltd., conducted an awareness workshop for RMZ Corp.

Being a strong advocate of the KAIPA principle, he shared the journey of JMC from RMZ Azure to their current projects where internal design guidelines for Construction Labour housing for JMC have been upgraded and bettered by them, across all their projects, pan India. More power to him, for being such an active and enthusiastic egalitarian!

Anganwadi - Dandeli And Haliyal Taluk, Uttara Kannada

Walls at the Anganwadis at both Haliyal and Dandeli have been raised. Customized window grills are being added. With only the roof and finishing to be done, we are excitedly looking forward to have Lokare Associates complete them by the end of next month!

Project Griha in Action - Padubidri, Udupi

From conceptual master planning, design and approvals, Project Padubidiri with 21 homes for koraga families, has found its way into the construction phase. It seems that Nirmithi Kendra is speeding to complete the construction before the rains onslaught Udupi!

Learning – a life long process!

The second Talk by Nivasa advisory board member, eminent professor Dr KS. Jagadish: "A blundering odyssey through Alternative Technologies" was again held at BMS College. We look forward to more!

Project Griha R&D- Chikkaballapur

Under the leadership of the ZP CEO, with immense support from the local panchayats, Executive Officers, and with active local help, we have successfully completed the study of three Taluks of Chikkabalapur district of Chikkaballapur, Sidlaghatta and Chinthamani. We hope to complete the study of Bagepalli, Gudibande and Gauribidanur in the coming weeks.
