

## SPOTLIGHT

Nivasa was happy to address a group of planning professionals from 13 different countries sponsored by Ministry of External affairs & organised by **National institute of Rural Development, Hyderabad** at KS school of Architecture, Bangalore

NIVASA's mission is to enable humane and dignified housing conditions, for the rural and urban poor, through design.

### Co-creating construction labour communities – Project Boeing, L&W & Project IKEA, SPCL

Labourers from L&W, under guidance from NGO APSA, have come together to transform their camp into community through bright colours. APSA conducts regular yoga and health camps. L&W's site team at Boeing, under the involved leadership of Mr Hariprasad, is increasingly getting drawn into labour welfare initiatives!

We had a thought-provoking interaction with design students from **The University of Melbourne** at BMS college of Engineering, Bangalore

In Project IKEA, small design interventions like side tables, curtains, torans are being done for each room under the theme of "Dorm to Home".
