Social Index

What is the Social Index?

We can provide advice and frameworks for the following:

Assessment

Using interview survey tools that have been recognised by the UK Social Mobility Commission, we provide a baseline **Social Index** score

Skilling

We can provide training sessions on how to manage Social Mobility as part of a modern business

- How aware are your managers and leaders about this topic?
- What other factors can they add to their decision making?
- What bias might exist in the corporate memory?

Community

We create a Social Mobility community within your organisation, offering:

- Events
- Awareness
- Industry Speakers

Qualyfi

Enact lasting change

We create a three-year programme: making change takes consistent effort over a longer time frame.

Goals

What do you want to achieve in your journey with Qualyfi?

Annual Review

We conduct the survey every year to check progress against goals

Advocacy

- Identify senior leaders in the business who will sponsor the project
- Maintain a team of employee volunteers to support activities and mentor people

Community
