

NINE TO FIVE

Tumble outta bed and stumble to the kitchen;
Pour myself a cup of ambition,
yawn, and stretch, and try to come to life

Jump in the shower and the blood starts pumping;
Out on the streets, the traffic starts jumping,
With folks like me on the job from nine to five.

Working nine to five, what a way to make a living;
Barely getting by, it's all taking and no giving.
They just use your mind, and they never give you credit;
It's enough to drive you crazy if you let it.

Nine to five, for service and devotion;
You would think that I would deserve a fair promotion;
Want to move ahead, but the boss won't seem to let me.
I swear sometimes that man is out to get me.

They let you dream just watch the shatter;
You're just a step on the boss man's ladder
But you've got dreams he'll never take away.

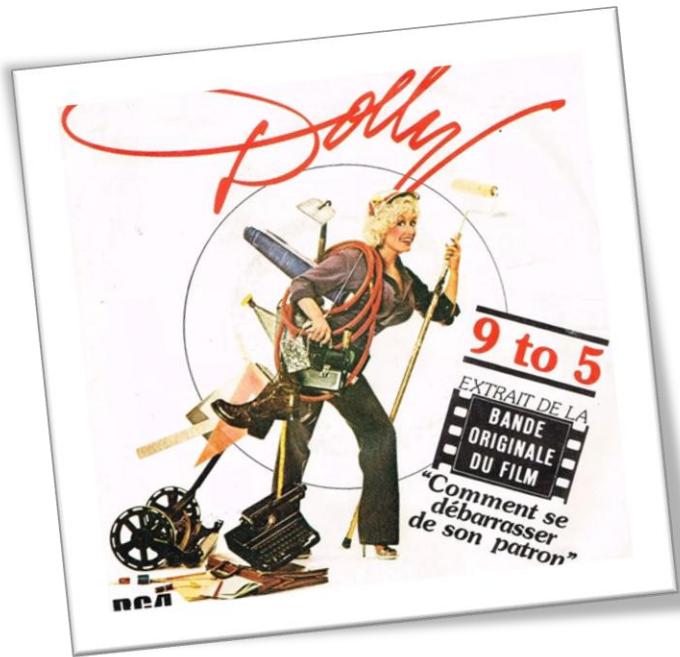

In the same boat with a lot of your friends
Waitin' for the day your ship 'll come in
And the tide's gonna turn and it's all gonna roll your way.

Working nine to five, what a way to make a living;
Barely getting by, it's all taking and no giving.
They just use your mind, and they never give you credit;
It's enough to drive you crazy if you let it.

Nine to five, they got you where they want you;
There's a better life, and you dream about it, don't you?
It's a rich man's game, no matter what they call it;
You spend your life putting money in his pocket.

Nine to five, what a way to make a living;
Barely getting by, it's all taking and no giving.
They just use your mind, and they never give you credit;
It's enough to drive you crazy if you let it.

Working nine to five!

Seasons of Love

Five hundred twenty-five thousand six hundred minutes.
Five hundred twenty-five thousand moments so dear.
Five hundred twenty-five thousand six hundred minutes.
How do you measure, measure a year?

In daylights, in sunsets
In mid nights, in cups of coffee.
In inches, in miles, in laughter, in strife,
In five hundred twenty-five thousand six hundred minutes.
How do you measure a year in the life.

How about love?
How about love?
How about love?
Measure in love

Seasons of love
Seasons of love

In truth that she learned or in times that he cried.
In bridges he burned or the way that she died!

It's time now to sing out though the story never ends.
Let's celebrate, remember a year in the life of friends.

Remember the love
Remember the love
Remember the love
Measure in love

Seasons of love
Seasons of love

Rock Around the Clock

One, Two, Three O'clock, Four O'clock rock,
Five, Six, Seven O'clock, Eight O'clock rock,
Nine, Ten, Eleven O'clock, Twelve O'clock rock,
We're gonna rock around the clock tonight!
Put your glad rags on, join me, Hon,
We'll have some fun when the clock strikes one.

CHORUS:

We're gonna rock around the clock tonight,
We're gonna rock, rock, rock, 'til broad daylight.
Gonna rock, gonna rock around the clock tonight!

When the clock strikes two, three and four,
If the band slows down we'll yell for more.

Repeat CHORUS

When the chimes ring five, six, and seven,
We'll be up in seventh heaven.

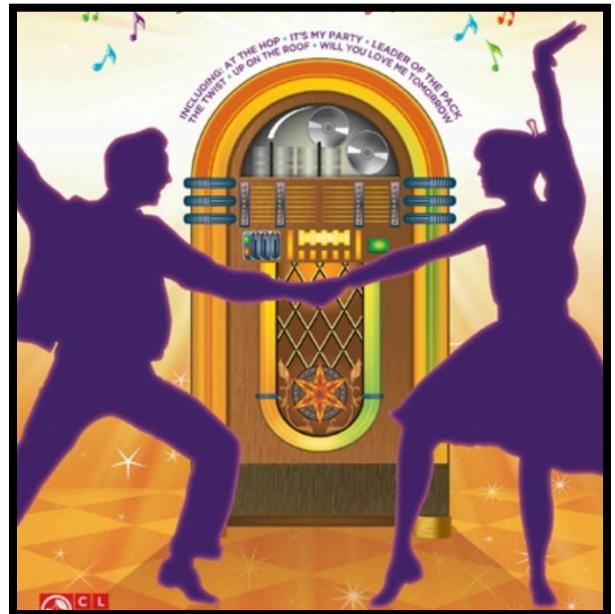

Repeat CHORUS (no "We're" at the beginning of chorus)

When it's eight, nine, ten, eleven too,
I'll be going strong and so will you.

Repeat CHORUS

When the clock strikes twelve we'll cool off then,
Start a rockin' 'round the clock again.

Repeat CHORUS

IT'S MY TIME

Seasons keep changing, life rearranging,
Coming and going, pace never slowing.
Stop for a minute, embrace all that's in it.
Don't rush on past, make the good last.
There's only one life time to live,
So I'm gonna breathe it all in.

It's my time, I'll take every moment.
Run with the wind, wild and free.
It's my time to make my tomorrow
More than a wish or a dream.
It's my time.

I'll look for the blessing, stop second guessing,
Take time explaining, less time complaining.
Be helpful and gracious,
Treat loved ones with patience,
Life up my brother, compliment others,
As I look for the good all around,
There's nothing that can keep be down.

It's my time, I'll take every moment.
Run with the wind, wild and free.
It's my time to make my tomorrow
More than a wish or a dream.

Look at all the colored choices.
Make a brand new friend or taste something new,
Take a chance on a long shot,
Reach for the top spot,
Hold out for greatness, and soak in the view.

It's my time, I'll take every moment.
Run with the wind, wild and free.
It's my time to make my tomorrow
More than a wish or a dream.

It's my time, I'll take every moment.
Run with the wind, wild and free.
It's my time to make my tomorrow

More than a wish or a dream.
It's my time.
It's my time.

I'm in a Hurry

I'm in a hurry to get things done.
Oh I rush and rush until life's no fun
All I really gotta do is live and die
But I'm in a hurry and don't know why.

Don't know why
I have to drive so fast
My car has nothing to prove
It's not new
But it'll do 0 to 60 in 5.2.

Oh I'm in a hurry to get things done
Oh I rush and rush until life's no fun
All I really gotta do is live and die
But I'm in a hurry and don't know why.

Can't be late
I leave in plenty of time
Shaking hands with the clock
I can't stop
I'm on a roll and I'm ready to rock. Oh

I'm in a hurry to get things done
Oh I rush and rush until life's no fun
All I really gotta do is live and die
But I'm in a hurry and don't know why.

I hear a voice
It say's I'm running behind
I better pick up my pace
It's a race
And there ain't no room
For someone in second place.

I'm in a hurry to get things done
I rush and rush until life's no fun
All I really gotta do is live and die
But I'm in a hurry and don't know why.

I'm in a hurry to get things done
Oh I rush and rush until life's no fun
All I really gotta do is live and die
But I'm in a hurry and don't know why.

I'm in a hurry to get things done
Oh I rush and rush until life's no fun
All I really gotta do is live and die
But I'm in a hurry and don't know why.

I'm in a hurry to get things done
Oh I rush and rush until life's no fun
All I really gotta do is live and die
But I'm in a hurry and don't know why...

The Time Warp

It's astounding, time is fleeting
Madness takes its toll.
But listen closely. Not for very much
longer.
I've got to keep control.

I remember doin' the Time Warp,
Sleeping those moments
When the blackness would hit me
And the void would be callin'.
Let's do the time warp again!
Let's do the time warp again!

It's just a jump to the left.
And then a step to the right.
Put your hands on your hips.
And bring your knees in tight.
But it's the dancing moves
That really drives you insane.
Let's do the Time Warp again!
Let's do the Time Warp again!

It's so dreamy, oh, fantasy free me,
So you can't see me, no, not at all.
In another dimension,
With curious intentions,
Well secluded, oh I'll see it all.

With a bit of a mind flip,
You're doin' the time slip,
And nothing can ever be the same.
You're spaced out on sensation
Like you're under sedation.
Let's do the Time Warp again!
Let's do the Time Warp again!

Well I was tappin' down the street,
Just a-havin' a think,
When a snake of a guy
Gave me an evil wink.
It shook-a me up, it took me by surprise,
Had a pickup truck and some scary
eyes.
He stared at me and I felt a change,
Time meant nothin', never would again.
Let's do the Time Warp again!
Let's do the Time Warp again!

It's just a jump to the left.
And then a step to the right.
Put your hands on your hips.
And bring your knees in tight.
But it's the dancing moves
That really drives you insane.
Let's do the Time Warp again!
Let's do the Time Warp again!
